Product overview

The Patch 9° Stormo F. Baracca is an embroidered unit shield designed for members of the 9° Stormo F. Baracca and licensed collectors. It is made for attachment to standard flight suits and for display by military personnel, collectors, and tactical-gear enthusiasts.

Definition: a durable embroidered patch with Velcro backing showing the prancing horse and the lettering “9° STORMO F. BARACCA,” intended as an identification and commemorative insignia.

Main features

Clear, purpose-driven design and practical construction make this a suitable military patch for flight suits and tactical gear.

- **Distinctive design:** White background with a central prancing horse and the text **9° STORMO F. BARACCA**.
- **Embroidered shield:** Traditional scudetto shape with detailed embroidery for a clean unit look.
- **Velcro backing:** Hook-and-loop rear panel for fast attachment and removal from flight suits or tactical panels.
- **Durable materials:** Constructed from sturdy fabrics to retain appearance over time.
- **Restricted sale:** Available only to military personnel and to collectors who provide the required prefectoral license (art. 28 TULPS).

How to use / When it’s useful

Quick answer: attach the patch to the Velcro area of your flight suit or a compatible tactical panel for unit identification or display. It is suitable for operational wear, dress flight suits, or collector mounting.

In most cases: the patch is used by serving personnel to show unit affiliation or by licensed collectors for display and storage in collections. The Velcro backing allows easy removal when laundering or swapping patches.

Care and notes

Simple care and regulatory notes to ensure proper use and legal compliance.

- Remove the patch before washing the garment if you are unsure about machine washing conditions.
- Store in a dry place and avoid prolonged exposure to direct sunlight to preserve colors.
- Sale requires verification: send a copy of your military ID or indicate the barracks delivery address during registration; collectors must provide a copy of the prefectoral license (art. 28 TULPS).
- Availability is limited and subject to eligibility checks by our staff.

FAQ

Q: Who can purchase the Patch 9° Stormo F. Baracca?

A: Sale is limited to serving military personnel and collectors who hold a prefectoral license under art. 28 TULPS. Eligibility is verified before purchase.

Q: How do I prove I am eligible to buy this patch?

A: You must send a copy of your military ID or, during site registration, provide the barracks address where you serve for delivery verification. Collectors must provide the required license copy.

Q: Is the patch easy to attach?

A: Yes. The patch features a Velcro (hook-and-loop) backing for quick attachment and removal from standard flight suit Velcro panels.

Q: What are the patch dimensions?

A: Specific measurements are not listed; the patch is designed to fit standard flight suit Velcro panels. Contact customer service if you need precise sizing guidance.

Q: Can I buy more than one patch?

A: Yes, multiple units can be ordered, but each purchase remains subject to availability and eligibility verification.

Q: How is delivery handled for this restricted item?

A: Delivery will follow verification of the provided military ID or barracks address. Orders by licensed collectors require submission of the prefectoral license before order approval.

Tip: Choose the correct variant or placement for your flight suit and check eligibility requirements before ordering. Browse related tactical and military patch items to complete your set or collection.
