Product short description:

Guardia di Finanza buttons are distinctive uniform buttons crafted to complement formal and ceremonial attire. Designed for collectors, professionals, and service members, they add an authoritative touch while reflecting tradition and pride.

- **Material:** Made from high-quality materials with a detailed finish.
- **Use:** Suitable for uniforms, ceremonial garments, and display pieces.
- **Design:** Refined emblem detailing and careful workmanship for an authentic look.
- **Audience:** Ideal for collectors, service members, and historical enthusiasts.

Product description:

Product overview

Guardia di Finanza buttons are gold-coloured metal uniform buttons made for serving Guardia di Finanza personnel to add a formal, duty-appropriate accent to coats, jackets, pockets and caps. Definition: a uniform button embossed with the Guardia di Finanza flame emblem, intended for official use by corps members.

These buttons suit duty and ceremonial uniforms and are relevant for tactical, military surplus or police-style equipment needs. Availability is limited and purchase requires verification of service status.

Main features

Key features and practical benefits at a glance:

- **Convex design:** Raised flame of the Guardia di Finanza, surrounded by a cord, for clear emblem detail.
- **Gold metal construction:** Durable finish designed to maintain appearance over time.
- **Four variants:** Selectable options for coat, jacket, pocket and piccaglia for cap.
- **Reserved to personnel:** These buttons are intended exclusively for Guardia di Finanza members.
- **Controlled availability:** Limited stock and purchase subject to verification to preserve proper distribution.

How to use / When it’s useful

Quick answer: Fit the variant that matches the garment—coat, jacket, pocket or cap—so the button complies with your official uniform requirements. Choose the piccaglia variant specifically for headgear when needed.

In most cases, these buttons are used for formal dress, ceremonial uniforms, or to replace worn or missing original buttons while keeping a consistent, duty-appropriate appearance. They are not sold to the general public without verification.

Care and notes

Basic care and important notes to preserve appearance and meet purchase rules:

- Wipe with a soft, dry or slightly damp cloth; avoid abrasive cleaners or strong chemicals.
- Store in a dry place to prevent tarnishing and preserve the finish.
- Sale is restricted to Guardia di Finanza personnel and requires verification before purchase.
- Availability is limited; verification (service ID copy or Command location) will be checked before completing the order.

FAQ

Q: Who can purchase these Guardia di Finanza buttons?

A: Only serving Guardia di Finanza personnel may purchase them. Orders are processed after verification of service status.

Q: What button variants are available?

A: Four variants: for coat, for jacket, for pocket and piccaglia for cap. Select the correct option from the product menu.

Q: What material are the buttons made of?

A: They are made of gold-coloured metal designed to offer a durable, professional appearance over time.

Q: How do I verify my eligibility to buy?

A: Verification requires sending a copy of your service ID or indicating the Command of assignment used as the delivery location; staff will confirm before allowing purchase.

Q: Why is availability limited?

A: Limited availability helps ensure the buttons are distributed appropriately to authorised personnel and maintains the integrity of the uniform items.

Q: Can I buy these buttons as a replacement for a uniform item?

A: Yes. These buttons are suitable for replacing worn or missing buttons on official uniforms, provided you pass the required verification step.

Tip: Before adding to cart, confirm the correct variant for your garment and have your service ID or Command details ready for verification; consider browsing related uniform accessories to complete your official kit.
