Product short description:

The Fregino Bavero Comandante Vigili del Fuoco is a collar badge for fire brigade commanders, intended for officers who lead and represent their unit. Its refined design is suitable for official ceremonies and for everyday uniform wear.

- **Material:** Made from quality materials with precise detailing and a durable, polished finish.
- **Use:** Specifically for commanders of the Vigili del Fuoco; ideal for ceremonial and daily duty.
- **Fit:** Collar-mounted badge sized to sit neatly on standard service uniforms.
- **Symbol:** Emblematic of leadership, responsibility and dedication to community safety.
