How to use / When it’s useful

Care and notes

Basic care keeps the ribbon looking its best: store flat when not worn, avoid prolonged exposure to moisture, and choose the mounting type that matches your uniform regulations.

- Avoid rough handling and strong solvents; clean gently with a soft, dry cloth.
- Confirm the desired format and rear attachment before ordering; options affect fit on uniforms or display mounts.
- Multi?ribbon mounts require matching widths—verify quantities if combining ribbons.
