- **Use:** Suitable as a decorative furniture piece, secure storage for keepsakes, or display in a collection.
- **Features:** Robust construction and authentic period details.

Product description:

Product overview

The Antica Cassa Militare II Guerra Mondiale is a World War II-era military wooden trunk for collectors, vintage décor buyers, and anyone needing sturdy storage with historical character. Definition: a larch-wood military trunk from WWII, finished with a protective waterproof layer.

This trunk combines authentic military surplus appeal with practical use for home storage,

display, or as a vintage piece in tactical and duty-related collections. It suits buyers interested in military surplus, tactical gear décor, or police/museum displays.

Main features

Key properties and benefits at a glance.

- **Material:** Made from durable larch wood for long-lasting structure.
- **Protective coating:** Coated with a waterproof layer to resist weather and moisture.
- **Functional hardware:** Hinges are visibly scuffed but remain operational.
- **Condition:** Vintage condition with visible scuffs near the hinges consistent with age.
- **Versatile use:** Originally a military trunk; suitable for storing books, valuables, or as decorative storage.
- **Dimensions:** 26 cm width x 26 cm height x 91 cm depth.

How to use / When it’s useful

Quick answer: Use it as a rugged storage trunk, a vintage display piece, or practical furniture for a military-themed room. It works well where authentic military surplus or tactical-style décor is desired.

In most cases, the trunk is best kept indoors or in a covered area to preserve the wood and finish. It is practical for collectors, duty or police prop uses, and anyone wanting sturdy, historically interesting storage.

Care and notes

Simple care and condition notes for long-term use.

- Gently clean with a soft, dry cloth; avoid harsh cleaners that can affect the waterproof coating.
- Inspect and handle hinges carefully due to visible scuffs; hinges are functional but show wear.
- Store indoors or under cover to limit further weathering despite the waterproof layer.
- Keep the listed dimensions in mind to ensure it fits your intended space or use.

FAQ

Q: What are the exact dimensions?

A: The trunk measures 26 cm wide x 26 cm high x 91 cm deep. Please check these dimensions to confirm fit for your space.

Q: Is the trunk waterproof?

A: The trunk is covered with a waterproof layer that offers protection against moisture. For long-term outdoor use, keep it under cover to preserve the finish.

Q: Are the hinges working?

A: Yes, the hinges are fully functional despite visible scuffs and signs of wear near them. Handle with normal care due to the vintage condition.

Q: What condition is the trunk in?

A: It is in fair vintage condition with clear scuffs around the hinges and general signs of age. These features are consistent with authentic military surplus items.

Q: Can I use it as a regular storage chest or trunk?

A: Yes. It can be used as a trunk for books, valuables, or general storage and also works well as a decorative military or tactical display piece.

Q: Is this item in stock?

A: Availability is limited and demand is high for genuine military surplus pieces. If you are interested, consider adding it to your cart to reserve it.

Tip: Choose the right trunk for your space by confirming the dimensions and intended use before purchase, and browse related military surplus and tactical storage items to complete your setup.
