- **Design:** Refined styling and attentive detailing make each piece unique.
- **Suitable for:** Collectors, reenactors and military enthusiasts seeking traditional insignia.

Product description:

Product overview

The Mostrine 114° Moriago are enamelled rank slides (mostrine) for collectors, military history enthusiasts, and reenactors. They represent the 114° Battaglione Meccanizzato Moriago, part of the Reggimento Fanteria Mantova.

Definition: enamelled metal rank slides divided lengthwise in green (inner) and yellow-ochre (outer) panels, made for wear or display as a military collectible.

Main features

Well-made enamelled insignia that combine authentic appearance with durable materials suitable for display or light wear.

- **Distinctive design:** Rectangular mostrine split lengthwise in green (inner) and yellow-ochre (outer).
- **Enamelled metal:** Durable enamel finish for long-lasting color and resistance to everyday wear.
- **Dimensions:** 2.5 cm width x 5 cm height (pair).
- **Wear or display:** Suitable for uniform use, collections, or framed display.
- **Unit representation:** Official style for the 114° Battaglione Meccanizzato Moriago, Reggimento Fanteria Mantova.
- **Limited availability:** Produced in small quantities, valued by collectors and military surplus buyers.

How to use / When it’s useful

Quick answer: Wear the mostrine on the appropriate uniform slides or add them to a display case as part of a collection. They work well for historical displays, reenactment kits, and tactical insignia collections.

In most cases, collectors and history enthusiasts use these pieces to complete unit sets or to show affiliation with the 114° Moriago. They are also useful for tactical gear displays, military surplus resellers, and gift items for those interested in Italian military history.

Care and notes

Basic care keeps the enamel bright and prevents damage; store in a dry place and avoid abrasive cleaning.

- Keep away from strong chemicals and abrasive cleaners.
- Wipe gently with a soft, dry cloth to remove dust and fingerprints.
- Store in a padded box or display case to prevent scratches.
- Each pair is sold with a guarantee of authenticity and quality as described.

FAQ

Q: What are the exact dimensions of the mostrine?

A: Each mostrina measures 2.5 cm wide by 5 cm high. Dimensions are given for the pair as

intended for uniform slides or display.

Q: What material are the mostrine made of?

A: The mostrine are made of enamelled metal. The enamel finish preserves color and increases resistance to normal wear.

Q: Can I buy more than one pair?

A: Yes, multiple pairs can be purchased while stock lasts. Note that availability is limited and demand is high among collectors.

Q: Are these suitable for wearing on a uniform?

A: Yes, they are designed for wear on the proper uniform slides or for display. Handle carefully to avoid scratching the enamel.

Q: How can I be sure the mostrine are authentic?

A: Each pair is guaranteed for authenticity and quality as described, representing the 114° Battaglione Meccanizzato Moriago, Reggimento Fanteria Mantova.

Q: Who is this item best suited for?

A: Ideal for military history collectors, reenactors, tactical insignia enthusiasts, and buyers of military surplus seeking accurate unit pieces.

Tip: Choose the correct pair size for your uniform or display, and browse related military surplus and tactical insignia items to complete your collection.
