Product overview

The Tubolarino Graduato Capo Esercito is a plastic rank badge designed for Graduati Capo of the Italian Army. It is intended for service use on the Soldato Futuro camouflage uniform and is reserved for qualified Italian Army personnel.

Definition: a small, heat-sealed plastic rank tube placed on the uniform to indicate the Graduato Capo rank. The piece features an olive-green sheath with a central double?moustache stripe on a black background and is suitable for tactical, duty, and military surplus collections.

Main features

Compact, precise construction with visible rank details and controlled sales for personnel verification.

- Material: plastic on an olive-green background with a heat-sealed sheath.
- Design: central double?moustache (double baffo) gallone on a black field; ends joined by an arch.
- Internal spacing between galloni is black for clear contrast and visibility.
- Dimensions: 7 cm height × 5.5 cm width, sized for correct placement on the Soldato Futuro uniform.
- Sale restricted to Italian Army personnel; purchase requires identity/service verification.

How to use / When it’s useful

Use the Tubolarino to mark rank on the designated porta grado area of the Soldato Futuro camouflage uniform. It is sized to sit precisely on the uniform without additional modification.

Quick answer: this item is worn by Graduati Capo on the camouflage uniform for duty and formal identification. In most cases, the tubolarino is shipped only after document verification and to the registered barracks address for service use.

Care and notes

Basic handling and administrative notes to ensure proper use and compliance with sales rules.

- Store protected from extreme heat to avoid deformation of the plastic.
- Sale is reserved to Italian Army personnel; you must provide a copy of your military ID or a service attestation.
- Shipping is authorized only to the barracks address provided during registration.
- The seller verifies documents and removes the purchase filter only after confirmation of eligibility.
