Product overview

The Basco modello spagnolo of the Marina Militare is the Spanish-style beret issued to active personnel of the Italian Navy. It is both a uniform item and a visible symbol of service and

identification for sailors and naval staff.

Definition: The Basco modello spagnolo is a wool beret with a Marina Militare plastic fregio, designed for duty, ceremonies and everyday uniform use. Keywords: naval beret, military beret, duty uniform.

Main features

Technical and design highlights that balance durability, comfort and official symbolism.

- **Material:** 94% wool and 6% nylon for thermal performance and durability.
- **Bordo in gross-grain:** reinforced edge for a structured, finished look and reduced wear.
- **Fregio in plastica Marina Militare:** double laurel (three leaves and two berries per branch), turreted crown, oval shield with a gold anchor at the center.
- **Ergonomic fit:** designed to conform to the head for comfortable long wear during duty.
- **Regulation variant:** standard model meets Marina Militare criteria; size selection and limited custom options available at order.
- **Restricted sale:** purchase is reserved for active personnel after identity verification.

How to use / When it's useful

Wear the basco with service dress for official ceremonies, formal events and daily operational duties where the uniform requires it. Proper positioning and presentation reinforce professional appearance and unit identity.

Quick answer: This beret is for active Marina Militare personnel and is used for official duty, ceremonies and everyday service. In most cases, purchase requires registration and submission of service documentation; delivery is arranged to the Capitaneria or military base listed at registration.

Care and notes

Basic care and practical notes to keep the beret in good condition and ensure lawful delivery.

- Prefer professional cleaning for wool garments or follow gentle hand-wash methods suitable for wool/nylon blends; avoid high heat when drying.
- Store flat or on a soft surface to keep shape and avoid crushing the brim or fregio.
- Sale and delivery are reserved for active personnel only; proof of service is required before purchase is enabled.
- Provide a military delivery address (Capitaneria or base) during registration to ensure authorized receipt.

FAQ

Q: Who can purchase the Basco con Fregio in Plastica Marina Militare?

A: Only active personnel of the Marina Militare can buy this beret. Purchase requires verification of service documentation before the order is enabled.

Q: What materials make up the beret?

A: The basco is made of 94% wool and 6% nylon, with a gross-grain edge and a high-quality plastic Marina Militare fregio.

Q: How do I submit the documentation to buy the beret?

A: Register on the seller's site and submit proof of service (service card or attestation) via the site contact procedure. Staff will verify documents and notify you by email when purchase is enabled.

Q: Are there different fregio options?

A: The standard, regulation model uses a plastic fregio. Other materials (for formal or ceremonial use) are sometimes available, but the plastic version is the approved operational standard.

Q: Where will the beret be delivered?

A: Delivery is arranged to the Capitaneria or the military base you indicate at registration to ensure the beret reaches authorized personnel only.

Q: Can retired personnel or civilians buy this beret?

A: No. The Basco con Fregio in Plastica Marina Militare is reserved for active Marina Militare members and cannot be sold to non-active individuals.

Tip: Before submitting your order, confirm the correct size and delivery address (Capitaneria or base) and prepare your service documentation. Selecting the right variant and size will ensure a proper fit—browse related uniform items on Tutto Militare to complete your duty kit.
