- **Design:** Detailed, refined motif that reflects the bridge engineers' heritage.
- **Ideal for:** Collectors and enthusiasts who wish to honor service and history.
- **Condition:** A distinctive piece symbolizing the courage and skill of those who build bridges in critical situations.

Product description:

Product overview

The Fregio Basco Genio Pontieri is a metal beret badge for members, collectors, and enthusiasts of the Genio Pontieri corps. It is designed for wear on a beret or for display by those interested in

military surplus, tactical gear, or police duty insignia.

Definition: a silvered, burnished metal beret insignia showing the traditional Genio Pontieri emblem. The badge combines historical design with durable construction for everyday wear or collection.

Main features

Clear, faithful reproduction of the Genio Pontieri beret emblem, made to durable standards and sized for standard beret placement.

- **Distinctive design:** Inside a ring, two crossed anchors surmounted by a grenade with a six?tongued flame folded to the wearer’s left.
- **Detailed finish:** Rope elements spring from the anchor rings, cross and wrap around the anchors for precise detailing.
- **Material:** Silvered, burnished metal for a classic look and long-lasting appearance.
- **Size:** 52 mm diameter—sized for correct proportion on a beret.
- **Suitable uses:** Wear on berets, uniform displays, collectors of military surplus or tactical/police insignia.

How to use / When it’s useful

Use this beret badge to complete a Genio Pontieri uniform look or to add an authentic insignia to a collection of military surplus and tactical gear. It works well for formal duty wear, ceremonial use, or display on a uniform board.

Quick answer: place on the front of the beret in the usual position for service insignia. In most cases, the badge fits standard beret mounting and is appropriate for collectors, reenactors, and active or retired personnel who display corps affiliation.

Care and notes

Basic care preserves the burnished finish and detail without special tools.

- Wipe gently with a soft, dry cloth to remove fingerprints and dust.
- Avoid abrasive cleaners or strong chemicals that could alter the finish.
- Designed to fit standard berets; confirm placement before permanent mounting.
- Limited stock: availability can be restricted due to demand.

FAQ

Q: What are the dimensions of the Fregio Basco Genio Pontieri?

A: The badge measures 52 mm in diameter. This size is intended for correct visual proportion on

a standard beret.

Q: What material is the fregio made from?

A: It is made from silvered, burnished metal, providing a classic appearance and durable surface finish.

Q: Is the fregio suitable for all types of berets?

A: Yes, the badge is designed to fit standard beret mounting positions. Check your beret's mounting method to confirm compatibility before securing.

Q: Will the fregio remain in good condition over time?

A: With basic care—gentle cleaning and avoiding harsh chemicals—the metal finish is built to retain its appearance with regular use.

Q: How should I clean and maintain the badge?

A: Clean with a soft, dry cloth to remove dirt or fingerprints. Do not use abrasive pads or chemical cleaners that could damage the burnished finish.

Q: How do I buy the Fregio Basco Genio Pontieri?

A: Add the item to your cart on our site and complete checkout. Stock may be limited, so ordering promptly is recommended.

Tip: Choose the correct placement and mounting for your beret before fixing the badge, and browse related beret insignia and military surplus items to complete your uniform or collection.
