Product overview

The Nastrino Partecipazione Missioni di Supporto di Pace in Grecia is a service ribbon issued by the Greek government for military personnel who took part in peace support missions in Greece. It is suited for authorized service wear, military collectors, and stores selling tactical or military surplus items.

Definition: a government-recognized service ribbon that denotes participation in Greek peace

support missions. The ribbon combines historical symbolism with durable construction for display or uniform use.

Main features

Official-looking ribbon with durable materials and multiple presentation options for collectors, duty use, or display on ribbon bars.

- **Distinctive design:** yellow base with four vertical white stripes at the center, separated by three vertical bars in blue, red and light blue.
- **Durable construction:** made from quality materials designed to keep shape and color over time.
- **Packaging options:** available in standard flat format or slightly curved "Elite" variant.
- **Attachment choices:** select rear clamp (morsetti) or screw (viti) mounting for convenience.
- **Official recognition:** the ribbon represents the award conferred by the Greek government for these missions.
- **Modular display:** can be combined with other ribbons using dedicated ribbon bars or mounts for an orderly presentation.

How to use / When it’s useful

Quick answer: wear the ribbon only if you are officially entitled to it or use it as part of a private collection or display. Check your service regulations before wearing on a uniform.

In most cases, the ribbon is fitted to a ribbon bar with other service ribbons for formal dress, or mounted for display by collectors and military surplus retailers. Choose the attachment type (clamp or screw) based on how you plan to mount or wear it.

Care and notes

Basic care keeps the ribbon presentable and preserves its colors; select the correct packaging and attachment for intended use.

- Store in a dry place away from direct sunlight to avoid color fading.
- Do not use solvents or abrasive cleaners on the ribbon surface.
- Choose clamp or screw attachment depending on the uniform or display mount you will use.
- If combining with other ribbons, use a proper ribbon bar to keep alignment and spacing correct.
- Confirm entitlement and regulations before wearing on official duty dress.

FAQ

Q: Who can receive the Nastrino Partecipazione Missioni di Supporto di Pace in Grecia?

A: The ribbon is intended for military personnel who have participated in peace support missions in Greece. Official award and entitlement are determined by the Greek government and military authorities.

Q: What packaging and mounting options are available?

A: You can choose the standard flat format or the slightly curved "Elite" variant. Rear attachments are available as clamps (morsetti) or screws (viti) to suit different mounting needs.

Q: Can I combine this ribbon with other ribbons?

A: Yes. The ribbon can be mounted with others on a ribbon bar or dedicated ribbon holder to create a tidy, ordered display of service awards.

Q: What are the ribbon colors and design?

A: The ribbon is yellow with four vertical white stripes at the center, separated by three vertical bars in blue, red and light blue. This pattern mirrors the official design used for the award.

Q: Is this an official Greek government award?

A: The ribbon represents the award conferred by the Greek government for participation in peace support missions. For official wear or recognition, follow the guidance of your chain of command or relevant authorities.

Q: How do I buy this ribbon?

A: Add the product to your cart to purchase. Select the desired format (flat or Elite) and the preferred attachment (clamp or screw) before checkout.

Tip: When ordering, choose the attachment and format that match your intended use (uniform wear or display). Also consider browsing related ribbon bars and mounting accessories to complete a neat, professional presentation for your tactical, duty, or military surplus collection.
