How to use / When it’s useful

Quick answer: Use this mask as a daily face covering and style accessory—ideal for errands, travel, public events, and for those who wear tactical or military-surplus inspired clothing. It is not intended for clinical settings or as certified PPE.

In most cases, the mask works well for casual, short-term use and for showing national pride during public gatherings or sporting events. It can also be used by children under adult supervision, but users should replace it if it becomes worn or damaged.

Care and notes

Follow simple care steps to keep the mask functional and comfortable; observe the regulatory and safety information below.

- Hand wash gently to preserve the fabric and print; air dry flat.
- Replace the mask if it shows signs of wear, damage, or decreased fit.
- Not a medical device or PPE—do not use in clinical or high-risk environments.
- Produced according to D.l. 18/2020 provisions and the cited Ministry of Health circular.

FAQ

Q: Is the mask washable?

A: Yes. Wash gently by hand and let it air dry to extend its life. Avoid machine washing if possible to preserve the fabric.

Q: Is this suitable for children?

A: The mask is designed for adults but can be used by children under adult supervision. Check the fit and comfort before use.

Q: How long does the mask last?

A: Lifespan depends on use and care. Replace it when the fabric, fit, or appearance shows signs of wear.

Q: Can I use this mask for sports or heavy exercise?

A: It is intended for everyday use and casual activities. It is not specifically designed for intense sports or high-exertion scenarios.

Q: Is this a medical device or certified PPE?

A: No. The product is not a medical device or certified personal protective equipment. It was produced under the provisions of art. 16, comma 2 of D.l. 18/2020 and in line with the Ministry of Health circular.

Q: What sizes and colors are available?

A: The mask is currently available in one standard size and in the Italian flag colors (red, white, green). The size fits most adults.

Tip: Check the fit before everyday use and consider browsing related face coverings or tactical-style accessories to complete your look. Choose the option that best matches your needs and replace masks regularly for hygiene and comfort.
