Product overview

The Paracord King Cobra Tricolore Italy bracelet is a durable, woven paracord wristband for outdoor enthusiasts, everyday wearers and tactical users. It combines a practical survival tool

with a stylish tricolour design in green, white and red for those who want a touch of Italian identity.

Definition: a paracord bracelet is a compact, wearable cord made from strong nylon that can be unraveled for emergency use. Ideal for hiking, survival, tactical or casual duty use, and for fans of military surplus gear.

Main features

Solid construction and a distinctive King Cobra (Cobra Weave) design provide strength and a clean look for both functional and fashion use.

- **Weave:** King Cobra / Cobra Weave for a sturdy, dynamic profile.
- **Material:** High-strength nylon paracord, water-resistant and lightweight.
- **Width:** 1.8 cm—balanced for comfort and support.
- **Colors:** Italian tricolour (green, white, red) as a national symbol.
- **Survival use:** Can be unraveled to obtain several meters of cord for emergency tasks.
- **Sizes:** Available in multiple sizes to fit different wrist measurements.

How to use / When it’s useful

Quick answer: Wear it as an everyday accessory or use it as an emergency cord on hikes, camping trips or field work. In most cases, the bracelet serves both as a style item and a practical tool for outdoor and tactical situations.

Use it for trekking, survival scenarios, casual outdoor fashion or as part of duty/tactical gear. The paracord can help repair equipment, build a temporary shelter or create an emergency tourniquet when needed.

Care and notes

Light maintenance keeps the bracelet clean and functional; the nylon paracord tolerates moisture but should be dried after prolonged wet exposure.

- Hand wash gently with mild soap and air dry.
- Avoid prolonged exposure to oils, solvents or direct heat sources.
- Not intended as certified climbing or life-safety rope; use appropriately for general survival and utility tasks.

FAQ

Q: What is paracord and why is it strong?

A: Paracord is a nylon cord originally developed for military parachute lines. Its braided construction gives good tensile strength and versatility for general-purpose use.

Q: How do I choose the right bracelet size?

A: Measure your wrist with a tailor's tape, add about 1 cm for comfort, and select the matching size. Multiple sizes are offered to ensure a snug but comfortable fit.

Q: Is the bracelet waterproof?

A: The nylon paracord is water-resistant and suitable for use in rain or humid conditions. Dry the bracelet after extended wet exposure to preserve its appearance.

Q: Can I unravel the paracord in an emergency?

A: Yes. The bracelet can be unraveled to provide several meters of cord for repairs, shelter-building or first-aid uses in survival situations.

Q: Are other colors available?

A: Yes, the Tricolore Italy model is a special edition; other paracord bracelet colors and weaves are typically available in standard ranges.

Q: What are the shipping times?

A: Shipping is usually processed quickly; typical dispatch times depend on the seller and location. Check the seller’s delivery options when placing your order.

Tip: Choose the correct size for comfort and secure fit. Browse related tactical and military surplus bracelets or duty accessories to find matching gear that fits your outdoor or everyday style.
