Product short description:

The Fondina Ordinanza Carabinieri is a duty holster intended for professionals and users who require secure, practical firearm carry. Constructed from high-quality materials, it provides lasting durability and reliable performance under demanding conditions.

- **Material:** Made from quality materials that ensure resistance and long service life.
- **Design:** Ergonomic profile allows a quick, controlled draw while maintaining comfort during prolonged wear.
- **Attachment:** Stable fastening system keeps the holster secure during use and minimizes unwanted movement.
- **Use:** Designed with law enforcement needs in mind; ideal for professionals seeking dependable carry with a professional look.

Product description:

Product overview

The Fondina Ordinanza Carabinieri is a black leather duty holster designed for police and security

personnel who need a reliable, professional carry option. It is a leather duty holster made for service use and for pistols like the Beretta 92/98 FS.

Built from quality materials, this holster combines a refined appearance with practical features for everyday duty and tactical use. The design focuses on secure retention, quick access, and long-term durability.

Main features

Key features that make this holster suitable for duty, police, and tactical use:

- **High-quality black leather** for a professional look and long service life.
- **Double snap closure** (doppio moschettone) for secure weapon retention and added safety.
- **Belt loop optimized** for Beretta 92/98 FS; fits other pistols of similar size.
- **Water-resistant treatment** to protect the leather from light moisture and everyday exposure.
- **Durable construction** to withstand daily operational wear.

How to use / When it’s useful

Quick answer: Attach the holster to your duty belt, insert a compatible pistol such as the Beretta 92/98 FS, and secure the double snap for safe carry. The holster is designed for belt-mounted, open-carry duty use with quick access in mind.

In most cases, this holster is useful for daily patrols, formal uniform duty, training, and other routine security tasks where a sturdy, professional holster is required. It balances a formal appearance with functional retention for operational readiness.

Care and notes

Basic care will keep the leather looking and performing well over time.

- Wipe clean with a damp cloth; avoid soaking the leather.
- Apply a suitable leather conditioner periodically to maintain suppleness.
- Check snaps and stitching regularly for wear and proper function.
- Confirm fit with your pistol model before regular use.

FAQ

Q: Is this holster compatible with pistols other than the Beretta 92/98 FS?

A: Primarily designed for the Beretta 92/98 FS, it can fit other pistols of similar dimensions. We recommend verifying the fit before relying on it for regular duty.

Q: Is the leather waterproof?

A: The leather is treated to resist water and light exposure, but it is not fully waterproof. Avoid prolonged soaking and dry promptly if it gets wet.

Q: Is the double snap closure easy to operate under stress?

A: Yes, the double snap is designed for a balance of security and quick access. Training with the holster will ensure smooth operation in critical moments.

Q: Can I use this holster every day?

A: Yes. The holster is built for daily and operational use, with durable materials and construction suited to regular wear.

Q: Is the fit adjustable?

A: The holster offers a secure fit optimized for the Beretta 92/98 FS and similar pistols; some adjustment is possible via the belt loop position and how the weapon is seated.

Q: Is this item currently available?

A: Stock can be limited due to demand and production. If the holster is listed as available, we recommend ordering promptly to secure your piece.

Tip: Choose the correct fit for your pistol model and duty belt type before checkout, and consider browsing related duty and tactical holsters to find the best match for your operational needs.
