- **Design:** Refined styling and careful details for a neat finish.
- **Use:** Ideal to complete uniforms and ceremonial dress.
- **Rank:** Appropriate for colonel/commanding officer roles, representing service and commitment.

Product description:

Product overview

The Tubolarino Colonnello Comandante Esercito is a rank tubolarino (rank patch) designed for

the Mimetica EI combat uniform, intended for Colonnello Comandante officers on active duty. It identifies command status and is supplied only to verified military personnel.

Definition: a heat-sealed khaki-backed rank patch reproducing a turreted crown topped by three black five-point stars with red edging, representing the Comandante role. Suitable for tactical and duty uniforms in military, police, and military surplus contexts.

Main features

Designed for durability and authoritative appearance, the patch is made to meet uniform standards while offering comfort and durability.

- **Heat-sealed construction** on a khaki backing for long-lasting adhesion and a neat finish.
- **Command insignia** — turreted crown with three black five-point stars edged in red, indicating the Comandante rank.
- **High-quality materials** chosen for resistance to wear and everyday use.
- **Designed for Mimetica EI uniforms** and intended for official use by active personnel.
- **Restricted sale** — purchase requires verification of service status to ensure authorized distribution.

How to use / When it’s useful

Quick answer: attach the tubolarino as part of the Mimetica EI combat uniform where rank insignia are normally placed; it is intended for active Colonnello Comandante personnel. This patch serves as a visible sign of command and authority during duty and formal operations.

In most cases, the patch is applied according to unit uniform rules and verified during issue. It is useful for duty, tactical deployments, and official appearances where rank identification is required.

Care and notes

Follow basic uniform care and your unit’s regulations when handling this rank patch. The sale and delivery process includes verification steps.

- Keep the patch clean and store flat to maintain shape and adhesion.
- Avoid excessive heat or aggressive dry-cleaning that could affect the heat-sealed bond.
- Sale reserved for active service members — purchase requires a copy of the service ID or an official service attestation.
- Delivery times depend on document verification and current stock; availability may be limited.

FAQ

Q: Who can buy the Tubolarino Colonnello Comandante Esercito?

A: Only personnel currently on active service are eligible. Orders are processed after verification of unit membership.

Q: What documents are required to purchase?

A: A copy of the service ID card or an official attestation of service is required to confirm affiliation with the Corps.

Q: How do I send the required documents?

A: Submit copies through the site’s contact area or indicate your command location during registration so verification can be arranged before order release.

Q: Is this patch sold to the general public?

A: No. This tubolarino is reserved exclusively for active military personnel and not available for public sale.

Q: How long will delivery take?

A: Delivery time varies depending on document verification and stock availability. Expect additional processing while credentials are checked.

Q: How is the tubolarino attached to the uniform?

A: The rank is heat-sealed onto a khaki backing, providing a secure, uniform appearance consistent with Mimetica EI requirements.

Tip: Choose the correct variant for your uniform and verify your documents before ordering to avoid delays. Browse related tactical and military surplus accessories to complete your duty kit.
