Product short description:

The Grado Velcro Bassa Visibilità CMCS QS Esercito is a low-visibility rank patch for tactical use. It offers discreet identification for military and security personnel and attaches quickly to uniforms and gear via a Velcro backing.

- **Material:** Durable, high-quality construction for reliable field use.
- **Use:** Designed for tactical and operational environments where a low profile is required.
- **Attachment:** Velcro backing for fast, tool-free mounting on uniforms and accessories.
- **Visibility:** Low-visibility coloration blends with military clothing to help maintain discretion.
