Product overview

The **nastrino della Guerra 1940-43 con Meno di 12 Mesi al Fronte** is a reproduction/collector’s ribbon intended for military memorabilia collectors, museums, and enthusiasts of historical uniforms. Definition: it is a service ribbon representing the 1940–43 war period with the specific qualification "less than 12 months at the front."

This ribbon suits military surplus collectors, tactical display builders and duty/police uniform restorations who want an accurate ribbon for mounting or display. It is offered in standard sizes and several mounting options to match display bars and frames.

Main features

Designed for display or mounting on ribbon bars, the ribbon is available in two standard widths and multiple finishing and attachment choices.

- **Two sizes:** available in 37 mm and 20 mm widths.
- **No stellette:** this ribbon is supplied without stars or additional devices.
- **Finish options:** choose the flat regulation format or the slightly domed Elite variant.
- **Attachment choices:** complete with a portanastrino using either a clamp or screw fasteners (selectable).
- **Loose ribbon option:** purchase as a loose ribbon if you prefer custom mounting.
- **Quality materials:** made for durability and long-term display.

How to use / When it’s useful

Quick answer: use this ribbon for historical uniform restorations, display cases, or ribbon bars where an authentic-looking 1940–43 war ribbon is required. Select the correct width and attachment to match your existing mount.

In most cases, collectors mount the ribbon on a single or multi-ribbon portanastrini using the chosen clamp or screw attachment; choose the flat or Elite finish based on your display preference. For custom projects, order the ribbon loose and fit it to your own hardware.

Care and notes

Keep the ribbon in good condition with basic handling and storage care; the piece is intended for display rather than active wear in harsh conditions.

- Store dry and away from direct sunlight to prevent fading.
- Handle the ribbon gently to avoid fraying the edges.
- Do not expect included stars or devices—this ribbon is sold plain.
- Select the attachment type (clamp or screws) and size (37 mm or 20 mm) at checkout.

FAQ

Q: What sizes are available?

A: The ribbon is available in two widths: 37 mm and 20 mm. Choose the size that matches your existing ribbon bar or display frame.

Q: Does the ribbon include stellette (stars)?

A: No. This product is supplied without stellette or additional devices. It is sold as the base ribbon only.

Q: Can I choose the type of attachment?

A: Yes. You can select a portanastrino finished with a clamp (morsetto) or with screw fasteners from the dropdown at purchase.

Q: Is the ribbon available as a loose strip?

A: Yes. There is an option to buy the ribbon as a loose tape for custom mounting; select the loose ribbon choice in the menu.

Q: What are the finish options for the ribbon?

A: The ribbon can be made in the regulation flat format or in the slightly domed Elite variant. Pick the finish that suits your display style.

Q: Is this a limited item?

A: Quantities are limited due to demand for historical ribbons. If you need a specific size or attachment, order soon to ensure availability.

Tip: Choose the correct width and attachment when ordering and consider the flat or Elite finish for how the ribbon will sit on your portanastrini; check related ribbons and mounting accessories to complete your display.
