Product short description:

The "Fascetta Metallo NORD ITALIA 2002" is a sturdy metal clamp for users who need reliable, long-lasting fastening. Ideal for industrial maintenance and DIY projects that require a secure, stable hold.

- **Material:** Durable metal construction designed to resist wear and deliver consistent clamping performance.
- **Use:** Suitable for industrial maintenance, workshop tasks and home DIY; versatile for a range of fastening needs.
- **Design:** Robust, no-frills design and simple operation allow quick, secure installations.
- **Durability:** Built to provide a secure, long-lasting hold under normal working conditions.

Product description:

Product overview

The Fascetta Metallo NORD ITALIA 2002 is a small bronzed metal band designed for collectors, uniform restorers, and professionals who need a durable identification or decorative tag. It suits

tactical, military surplus, and police applications where a compact, stamped metal band is required.

Definition: a 38 mm x 7 mm bronzed metal band engraved "NORD ITALIA 2002" with folding side tabs for secure attachment. The product is produced in compliance with DPCM of 07/02/2008.

Main features

Compact, sturdy construction and clear engraving make this fascetta practical for display or field use.

- **Material:** bronzed metal for durability and a refined look.
- **Size:** 38 mm x 7 mm — compact and versatile.
- **Engraving:** precise "NORD ITALIA 2002" stamp for identification.
- **Folding side tabs:** tabs fold down to secure the band in place.
- **Regulatory compliance:** produced in accordance with DPCM 07/02/2008.

How to use / When it’s useful

Quick answer: use the fascetta where a small, durable engraved band is needed — on uniform equipment, display items, or collectible pieces. In most cases, the folding tabs are closed to fix the band around straps or thin fittings.

Its compact size makes it suitable for tagging gear without adding bulk. Orderers who need this item for official purposes should prepare the required documentation before purchase; send a copy of the attestazione via the site’s Contact function to facilitate the order.

Care and notes

Minimal care is required; keep the fascetta dry and avoid abrasive cleaners to preserve the finish and engraving.

- Clean with a soft cloth and mild soap if needed.
- Avoid prolonged exposure to corrosive substances.
- Folding tabs are for securing the band; bend gently to avoid deformation.
- Availability may be limited; prepare ordering documentation in advance.

FAQ

Q: What are the exact dimensions?

A: The fascetta measures 38 mm x 7 mm. It is compact and suited to small straps or fittings.

Q: What material is the band made of?

A: It is made of bronzed metal, chosen for durability and a professional appearance.

Q: Is the engraving permanent?

A: The "NORD ITALIA 2002" engraving is precision stamped into the metal for long-lasting legibility.

Q: Are the side tabs adjustable?

A: The side tabs are foldable to secure the fascetta. Fold them carefully to avoid bending the band out of shape.

Q: Is this product compliant with any regulation?

A: Yes, it is produced in accordance with the DPCM dated 07/02/2008 as stated in the product description.

Q: How do I place an order?

A: To place an order, prepare a copy of the required attestazione and submit it through the website’s Contact function to speed up processing.

Tip: Choose the correct size variant if you need different dimensions and browse related tactical and military surplus tags to match your collection or equipment; check availability and prepare any required documentation before ordering.
