Product overview

The **War of Liberation 1943–45 Ribbon (2 Years Campaigns)** is a commemorative ribbon bar

for collectors, uniform restorers, museums, and military surplus shops. It shows two stars, each representing one year of front-line service during the Italian Liberation War.

Definition: a 37 mm ribbon bar marking two years of campaign service in the 1943–45 Liberation War. This ribbon is suitable for display, reenactment uniforms, tactical or duty collections, and police or museum displays.

Main features

Clean, regulation-sized ribbon bar made to common display standards with practical attachment options.

- **Historic design:** two small stars applied to the ribbon, one for each year of campaign service.
- **Quality options:** available in the flat regulation finish or the slightly curved "Elite" variant.
- **Attachment choices:** rear clamp (morsetto) or screw fittings, selectable from the product options.
- **Standard size:** supplied only in the 37 mm regulation format.
- **Packaging options:** compatible with multi-place ribbon mounts (portanastrini) for grouping several ribbons on a single metal base.
- **Limited stock:** produced in limited quantities—popular with collectors and displays.

How to use / When it’s useful

Use this ribbon on reenactment uniforms, collectors’ displays, restoration projects, or tactical/duty presentation boards. It fits standard 37 mm ribbon mounts and can be combined with other campaign or service ribbons.

Quick answer: choose clamp attachments for easy on/off or screws for a more permanent fit. In most cases, the clamp works well for display racks and temporary mounting, while screws suit long-term uniform restoration.

Care and notes

Simple care keeps the ribbon looking its best; choose the correct attachment when ordering and verify the 37 mm size for compatibility with your mount.

- Handle by the metal fittings to avoid soiling the ribbon fabric.
- Store in a dry place away from direct sunlight to prevent fading.
- Select clamp or screw attachment at checkout to match your mounting method.
- Available only in 37 mm and in limited quantities—check stock before ordering.

FAQ

Q: What size is the ribbon?

A: The ribbon is supplied only in the 37 mm regulation format, suitable for standard ribbon mounts and displays.

Q: What do the two stars represent?

A: Each star represents one year of campaign service at the front during the 1943–45 War of Liberation.

Q: Which attachment options are offered?

A: You can choose rear clamp (morsetto) fittings or screw fittings when ordering. Select the preferred option from the product menu.

Q: Is there a curved variant available?

A: Yes. The ribbon is available in a flat regulation finish and a slightly curved "Elite" variant for a different presentation style.

Q: Can I mount multiple ribbons together?

A: Yes. This ribbon fits multi-place ribbon mounts (portanastrini) designed to hold two or more ribbons on a single metal base.

Q: Is this item suitable for collectors and displays?

A: Yes. It is commonly used by collectors, museums, reenactors, and military surplus or tactical display purposes.

Tip: When ordering, confirm the 37 mm size and choose the clamp or screw attachment that matches your mount; consider browsing related ribbon mounts and display accessories to complete your presentation.
