Product overview

The Medaglia San Giorgio Ucraina is a Ukrainian military merit medal awarded to members of

Ukrainian and foreign armed forces in recognition of service and battlefield courage. It is suitable for collectors, veterans, ceremonial use, and military surplus displays.

Definition: The Medaglia San Giorgio Ucraina is a decorative military medal that symbolizes courage and service. Available in limited quantities and in two selectable sizes, the medal ships internationally for collectors and duty displays in tactical or military surplus collections.

Main features

Distinctive design and materials that reflect traditional military and religious iconography.

- Three-point shield enamelled in red featuring Saint George on horseback slaying a dragon.
- Olive-fruited branches around the shield symbolizing peace and victory.
- Gold cartouche topped by an Orthodox trilobed cross, adding a spiritual element.
- Bipartite ribbon in gold and maroon with alternating narrow stripes for a formal appearance.
- Available formats: 37 mm and 20 mm, selectable from the product menu.
- Overall dimensions: approximately 35 mm length and 45 mm height; weights: 40 g (37 mm) and 20 g (20 mm).
- Made with high-quality materials including red enamel, gold accents and other fine metals.

How to use / When it’s useful

Use the medal for formal presentation, display in a collection, or as part of ceremonial dress. It fits well in military surplus, tactical displays, museum-style exhibits, or veteran commemorations.

Quick answer: This medal is primarily for display, collection, and ceremonial purposes. In most cases: choose the 37 mm version for a prominent presentation or formal wear and the 20 mm version for miniatures, lapel displays, or less conspicuous mounting.

Care and notes

Treat the medal as a decorative and collectible item; it is supplied with a protective case for storage and presentation.

- Store in the supplied protective case to avoid scratches and dust.
- Avoid prolonged exposure to moisture and harsh chemicals to protect enamel and metal finishes.
- Handle the ribbon gently to prevent creasing or staining.
- Limited availability: stocks may run low due to demand and design complexity.

FAQ

Q: What materials are used for the Medaglia San Giorgio Ucraina?
