How to use / When it’s useful

Use this nastrino on service dress or display racks to show qualified instructor status in maritime rescue. It fits standard ribbon bars and metal multi-ribbon bases when mounted with the chosen fastening.

Quick answer: wear it on the uniform ribbon bar or add it to a multi-ribbon holder for display. In most cases, choose the fastening type (clamps or screws) at checkout and select flat or Elite finish based on personal or uniform regulations.

Care and notes

Simple handling keeps the ribbon presentable; select the correct variant and fastening to match your uniform or display setup.

- Choose clamps or screws at purchase to match your ribbon holder system.
- Select flat or Elite finish according to dress regulations or personal preference.
- Compatible with two-place or larger metal multi-ribbon holders—check your holder size before ordering.
- Limited availability: items are in high demand among Corps personnel and collectors.
- Clean gently with a soft, dry cloth; avoid abrasive cleaners to preserve appearance.

FAQ

Q: Who is eligible to receive this nastrino?

A: The ribbon is for personnel of the Corpo Militare Volontario della Croce Rossa who have earned the Instructor Arti Marinaresche per il Salvataggio brevet. It denotes that specific qualification.

Q: What are the exact dimensions?

A: The ribbon measures 10 mm in height and 37 mm in width, presented on a white field with a 2 mm blue border.

Q: What fastening options are available?

A: You can choose a ribbon holder with clamp-style attachment or with screws. Select the desired option from the product menu before checkout.

Q: Can I mount multiple ribbons together?

A: Yes. This nastrino is suitable for mounting on multi-ribbon metal holders with two or more places to accommodate several ribbons on a single base.
