Product short description:

The "Nastrino Merito Dos Pacificadores" is a ribbon of merit honoring those recognized for their commitment to peace and cooperation. Suitable for wear on uniforms or formal dress, it serves as a dignified, wearable token of service and dedication.

- **Material:** Made from high-quality materials for a refined, durable finish.
- **Use:** Designed to be worn proudly on uniforms or formal attire.
- **Design:** Elegant, understated styling that blends tradition and prestige.
- **Significance:** A tangible recognition of courage, dedication and efforts toward a more harmonious world.

Product description:

Product overview

The **nastrino Merito Dos Pacificadores** is a Brazilian military ribbon awarded to military and civilian personnel who provided notable service to the Brazilian Army or helped strengthen friendly ties between their country’s armed forces and Brazil. It is suitable for collectors, military personnel, and those buying military surplus, tactical or duty accessories.

Definition: the nastrino Merito Dos Pacificadores is a decorative service ribbon with a distinctive

white, blue and red design bearing a gold palm emblem. Limited quantities are available; stock and attachment options may change quickly.

Main features

Clean, recognisable design and multiple purchase formats make this ribbon suitable for display on uniform ribbon bars or as loose ribbon for repair and reproduction.

- **Distinctive design:** white ribbon with two vertical blue bands at the edges, two vertical red pales at the centre, and a gold palm inside a gold frame.
- **Two finish options:** regulation flat format or slightly convex "Elite" variant.
- **Attachment choices:** available with clamp-style fittings or screw fittings, selectable from the product options.
- **Loose ribbon available:** sold by the metre with a minimum purchase of 50 cm; widths 37 mm and 20 mm.
- **Ribbon bar packaging:** can be fitted on single or multi-place ribbon mounts; see ribbon bar product details for multi-place mounting.

How to use / When it’s useful

Use the ribbon on dress uniforms, collector displays, or for restoration and reproduction of military decorations. Choose the flat regulation style for official-looking displays or the Elite variant for a slightly raised appearance.

Quick answer: select the attachment type (clamp or screw) and the format (flat or Elite) from the dropdown before adding to cart. In most cases, loose ribbon is ordered by the metre for repairs or custom mounts; remember the minimum is 50 cm.

Care and notes

Keep the ribbon clean and store flat or on a proper ribbon bar to preserve shape and emblem detail.

- Do not expose to harsh chemicals or prolonged sunlight to avoid colour fading.
- Order the correct width (37 mm or 20 mm) to match your ribbon bar or mount.
- Minimum loose ribbon order is 50 cm — check selection before checkout.
- Availability may be limited; stock and attachment options can change.

FAQ

Q: Who can receive the nastrino Merito Dos Pacificadores?

A: It is awarded by Brazilian military authorities to military or civilian personnel who rendered notable service to the Brazilian Army or helped build friendly relations between armed forces.

Q: What attachment options are available?

A: The ribbon can be supplied with clamp-style fittings or screw fittings; choose the preferred option from the product dropdown.

Q: Which formats are available?

A: Available in the regulation flat format and a slightly convex "Elite" variant to suit different display preferences.

Q: Can I buy loose ribbon for repairs or custom mounts?

A: Yes. Loose ribbon is sold by the metre with a minimum order of 50 cm and is offered in 37 mm and 20 mm widths.

Q: How do I fit this ribbon on a multi-place ribbon bar?

A: The ribbon can be mounted on single or multi-place ribbon bars; consult the ribbon bar product details for compatibility and mounting instructions.

Q: Is availability limited?

A: Yes. Due to demand and the ribbon's nature, stock levels may be limited and change quickly. We recommend choosing your options when available.

Tip: Choose the correct format, attachment type and width before adding to cart; consider ordering loose ribbon by the required length for repairs or custom mounts and browse related ribbon bars and mounting accessories to complete your display.
