How to use / When it’s useful

Quick answer: use the ribbon on a standard 37 mm ribbon bar for uniform display, dress uniforms, or in a collector’s presentation case.

In most cases, choose the flat finish for a traditional look and the Elite (slightly domed) finish for a more pronounced profile; select clamp or screw mounting in the product menu depending on your ribbon bar type.

Care and notes

Basic handling and selection tips to keep the ribbon in good condition and ensure proper mounting.

- Store flat and away from prolonged sunlight to avoid fading.
- Handle gently to prevent fraying of the fabric edges.
- Select the desired finish and mounting option from the dropdown before adding to cart.
- Limited stock: availability can be restricted, so check your selection before purchase.
