Product short description:

The Fregio Tramat Ufficiali Alpini is a prestigious emblem for those wishing to honor the Alpini corps. Suitable for official uniforms, ceremonial wear or display, it combines traditional styling with durable craftsmanship. An essential piece for anyone who wants to carry a tangible link to military history and identity.

- **Material:** Made from high-quality materials with careful workmanship for long-lasting use and resistance over time.
- **Use:** Intended for official uniforms, parades, commemorations and collector displays.
- **Design:** Detailed, classic motif that represents the pride and courage of mountain service.
- **Care:** Store and handle gently to preserve appearance; ideal for display or uniform placement.

Product description:

Product overview

The Fregio Tramat Ufficiali Alpini is a hand-embroidered gold bullion badge for officers of the

Alpini corps, designed for collectors, uniform restorers, and active-duty or retired personnel. It suits Alpini hats and Norvegese-style Alpine caps and is made by Tra.Mat (Trasporti e Materiali).

Definition: a decorative embroidered emblem (fregio) featuring an eagle clutching a cogwheel with wings, produced in gold canutiglia (bullion) thread.

Main features

Precision handwork and durable materials combine in two fabric variants to match traditional Alpini headgear.

- **Hand-embroidered:** Made with gold canutiglia (bullion) thread for clear detail and depth.
- **Distinctive design:** Eagle with spread wings holding a cogwheel from which a pair of wings extends.
- **High-quality materials:** Crafted for durability and everyday use.
- **Two fabric variants:** Grey-green cloth for the Alpini hat and khaki cloth for Norvegese alpine caps.
- **Easy to attach:** Suitable for sewing or for use with fabric-specific adhesives.
- **Classic corps branding:** Produced by Tra.Mat (Trasporti e Materiali) for Ufficiali Alpini.

How to use / When it’s useful

Quick answer: sew the badge onto the hat for a secure, long-lasting fit; fabric adhesives work for temporary or display use. In most cases, sewing is recommended for regular wear and durability.

This fregio is useful when restoring uniforms, for ceremonial dress, or for collectors who want an authentic-looking Alpini officer emblem. Choose the grey-green variant for traditional Alpini hats or the khaki variant for Norvegese-style Alpine caps.

Care and notes

Basic care preserves the embroidery and gold thread while keeping the badge suitable for display or regular wear.

- Spot clean gently with a soft cloth; avoid aggressive chemicals.
- Sew on for a permanent fit; fabric adhesives may be less durable outdoors.
- Store dry and flat to protect the bullion stitching.
- Limited handmade quantities mean availability may vary.

FAQ

Q: What are the badge dimensions?

A: The badge is sized to fit standard Alpini hats and Norvegese alpine caps. Exact

measurements are made to match traditional placement on those caps.

Q: How do I attach the fregio to my hat?

A: Quick answer: sew it on for the most secure result. You can also use fabric-specific adhesive for temporary mounting or display pieces.

Q: Is the fregio weather-resistant?

A: The fregio is made from quality materials designed to resist normal wear and exposure. For long life, avoid prolonged wet conditions and opt for sewn attachment if you wear the hat outdoors.

Q: Can I buy it in a physical store?

A: The item is primarily sold online; check with authorized retailers for occasional in-store availability. Stock can vary due to handcrafted production.

Q: Is customization available?

A: Currently the fregio is offered in the standard Tra.Mat Ufficiali Alpini variants only. Contact us for special requests and we will advise on possible options.

Q: Is this suitable for collectors and uniform use?

A: Yes. The hand-embroidered gold bullion design and traditional fabric options make it suitable for collectors, uniform restoration, and ceremonial or duty use.

Tip: Choose the grey-green variant for Alpini hats or the khaki variant for Norvegese-style caps. Consider sewing the badge for a permanent fit and browse related tactical, military surplus, and duty gear to complete your uniform or collection.
