Product short description:

US Naval Aviation Pilot Metal Badge — a finely made commemorative badge for collectors and military history enthusiasts. It honors the pride and dedication of American naval aviators and is suitable for display or as a thoughtful gift.

- **Material:** High-quality metal with a polished, glossy finish and accurate detailing.
- **Use:** Ideal for collection displays, museums, or as a gift for aviation and military history fans.
- **Condition:** Decorative collectible designed for visual appeal.
- **Note:** Represents naval aviation heritage; not presented as an official service-issued decoration.

Product description:

Product overview

The Brevetto Metallo Pilota Aviazione Navale US is a gold metal pilot badge that represents the US Naval Aviation qualification awarded to Marines who complete the course. It is intended for

collectors, veterans, reenactors, and retailers in tactical, military surplus, duty, or police memorabilia markets.

Definition: a gold metal Naval Aviation pilot badge with anchor, shield and wings design, matching the emblem worn by qualified US Marine aviators. This badge is sold to the public as a collectible piece of military history.

Main features

Solid construction, clear design and wearable size make this badge suitable for display, collection or uniform reproduction purposes.

- **Design:** Anchor topped by a two-notched shield at the head, with two wings extending from the shield.
- **Material:** Gold-colored metal for long-lasting appearance.
- **Size:** 6.8 cm wide x 2.5 cm high (accurate dimensions for display and mounting).
- **Recognition:** Matches the traditional emblem associated with US Marine Naval Aviation pilots.
- **Durability:** Metal construction resists wear and keeps its finish over time.
- **Availability:** Offered for public purchase for collectors and enthusiasts.

How to use / When it’s useful

Quick answer: Use this badge as a collector’s item, for display on jackets or frames, or as part of a uniform reproduction. In most cases, it serves as a commemorative or display piece rather than official issued equipment.

Wearing this badge on active-duty uniforms may be subject to military regulations. Verify current service rules before wearing it on official uniforms; it is ideal for civilian collectors, tactical displays, or military surplus retail shelves.

Care and notes

Keep the badge clean and stored properly to preserve its finish and shape. Observe service dress rules if you plan to wear it on any uniform.

- Clean gently with a soft cloth; avoid abrasive cleaners.
- Store in a dry place to prevent corrosion or tarnish.
- Check military or organizational regulations before wearing on active or official uniforms.

FAQ

Q: Who is this badge awarded to?

A: The badge design represents the qualification given to US Marine aviators who complete the Naval Aviation pilot course. The original award is conferred to qualified personnel.

Q: Is this badge available for public purchase?

A: Yes. This item is offered for sale to collectors and the general public as a piece of military history.

Q: What material is the badge made from?

A: The badge is made from gold-colored metal designed to maintain its appearance and durability over time.

Q: What are the badge dimensions?

A: The badge measures 6.8 cm in width and 2.5 cm in height. These dimensions are suitable for display and mounting on clothing or frames.

Q: Can I wear this badge on an official uniform?

A: Regulations vary by service and country. Verify military uniform rules before wearing this badge on active or ceremonial uniforms.

Q: How do I purchase this badge?

A: Add the item to your cart on our website and proceed through checkout. Availability may be limited, so complete your purchase to secure the item.
