Product short description:

The Nastrino di Nomina Sottufficiale di Corpo is a recognition ribbon for personnel appointed as non-commissioned officers. Made for uniform wear, it represents dedication and professional achievement while maintaining a formal, service-ready appearance.

- **Material:** Made from high-quality materials for a durable, neat finish.
- **Appearance:** Vivid colors and careful workmanship for a respectful look.
- **Use:** Intended to be worn on the uniform as a visible sign of appointment and service.
- **Significance:** A tangible token of commitment and affiliation with an elite corps.

Product description:

Product overview

The Nastrino di Nomina Sottufficiale di Corpo is a ceremonial appointment ribbon awarded to the Sottufficiale di Corpo at the start of their assignment. It is intended for military and duty personnel who require an official ribbon that signifies rank and service.

Definition: a small, metal-mounted ribbon with a blue field, 2 mm silver border and central silver "SC" letters (6 mm high). Limited quantities are available due to steady demand from military, tactical, and police customers.

Main features

Compact, professional design made to meet traditional appearance and mounting needs for dress uniforms and multi-ribbon displays.

- **Standard appearance:** Blue background with a 2 mm silver border.
- **Central marking:** Two silver "SC" letters, 6 mm in height, centered on the ribbon.
- **Two shapes:** Regulatory flat format and slightly domed Elite variant.
- **Attachment options:** Single rear mount available with clamps or screws (selectable from the dropdown).
- **Multi-ribbon compatibility:** Can be mounted on multi-place ribbon bars to group several ribbons on one metal base.

How to use / When it’s useful

Wear the ribbon on the appropriate dress uniform as specified by your unit’s regulations, either alone or grouped on a multi-ribbon mount. Choose the flat or Elite shape to match the rest of your decorations and uniform fittings.

Quick answer: select clamps or screws at checkout to match your current ribbon bar hardware. In most cases, the ribbon is used at formal events, inspections, and official ceremonies where duty and military appearance matter.

Care and notes

Designed for long-term use with attention to visual detail; follow unit guidance for wearing and storage to keep the ribbon presentable.

- Store in a dry place to prevent tarnish of the metal finishes.
- Handle by the edges to avoid fingerprints on the silver letters and border.
- Choose the mounting option (clamps or screws) that matches your existing ribbon bar.

FAQ

Q: What are the ribbon’s dimensions?

A: The ribbon has a blue field with a 2 mm silver border and two central silver "SC" letters that are 6 mm high. The overall format follows the regulatory proportions shown on the product page.

Q: Can the ribbon be personalized or combined with others?

A: The ribbon can be mounted on multi-place ribbon bars to display multiple ribbons together on a single metal base. Custom engraving is not indicated in the product details.

Q: What attachment types are available?

A: You can choose a single rear attachment with either clamps or screws. Select the preferred fastening method from the product dropdown before checkout.

Q: Which shapes are offered?

A: Two shapes are offered: the regulatory flat format and a slightly domed Elite variant. Pick the shape that best matches your other ribbons and uniform style.

Q: How do I purchase this ribbon?

A: Add the ribbon to your cart, choose the desired shape and attachment type, then complete the purchase online. Ensure your unit’s rules allow the chosen display configuration.

Q: Is this ribbon always in stock?

A: Stock is limited due to steady demand from military, tactical, and police customers. If availability is low, consider selecting a different variant or checking back soon.

Tip: Choose the shape and fastening option that match your current ribbon bar, and consider browsing related ribbons and ribbon bars to complete your display without mismatched fittings.
