Product short description:

The Nastrino Merito Comando Forze Armate Lettonia 1^Classe is a merit ribbon representing recognition for distinguished service in the Latvian Armed Forces. Suitable for collectors, ceremonial wear and uniform display, it honors leadership and dedication.

- **Material:** Made from high-quality materials for an authentic, durable finish.
- **Use:** Intended for wear on official uniforms, ceremonial presentation, or collection.
- **Design:** Elegant, distinctive ribbon that complements military dress.
- **Significance:** A tribute to professional service, leadership and commitment.

Product description:

Product overview

The Nastrino al Merito del Comando delle Forze Armate in Lettonia 1st Class is a ribbon for military personnel, veterans, and collectors who want an accurate representation of the Latvian Command Merit 1st Class. It is intended for display on duty uniforms, collections, or ceremonial mounts.

Definition: this is the ribbon bar that represents the Command Merit of the Latvian Armed Forces, 1st Class. Suitable for military surplus displays, tactical/duty uniform presentation, and private collections.

Main features

Designed to reflect the official style, the ribbon combines color and metal details to indicate class and command merit.

- **Color:** reddish-violet (rosso violaceo), symbolizing courage and determination.
- **Gold stripes:** two 3 mm gold stripes positioned 6 mm from each edge for distinction.
- **Central emblem:** a gold five-point star indicating 1st Class status.
- **Finish options:** flat regulation finish or a slightly convex "Elite" finish for a refined look.
- **Mounting:** single-place ribbon mount available with rear clamp or screw attachments.
- **Loose ribbon:** sold by the meter (starting at 50 cm) for custom medal or repair work.

How to use / When it’s useful

Use this ribbon on a service uniform, display board, or collection case to represent the Latvian Command Merit 1st Class. It fits standard ribbon mounts and can be combined with other bars on wider mounts when needed.

Quick answer: ideal for collectors, serving or retired personnel, and uniform presentations. In most cases, select the flat regulation version for official-looking displays and the Elite convex finish for a more pronounced appearance.

Care and notes

Keep the ribbon clean and properly mounted to preserve appearance and shape. Follow any official uniform rules when wearing decorations.

- Store flat or on a suitable mount to avoid creasing.
- Clean gently with a soft cloth; avoid solvents or abrasive cleaners.
- Check service regulations before wearing on active duty — some uniforms have specific rules about ribbons and insignia.

FAQ

Q: Who can receive the Nastrino al Merito del Comando delle Forze Armate in Lettonia 1st Class?

A: This ribbon represents the award given to Latvian personnel who served in command or coordination roles. As a product, it is suitable for collectors, former or current service members, and display use.

Q: What are the distinguishing features of this ribbon?

A: It is reddish-violet with two 3 mm gold stripes placed 6 mm from the edges and a central gold five-point star indicating 1st Class.

Q: Can I buy different versions of the ribbon?

A: Yes. Available options include the flat regulation finish, a slightly convex "Elite" finish, single-place mounts with clamp or screw attachments, and loose ribbon sold by the meter (from 50 cm).

Q: How can I attach the ribbon to a mount?

A: You can choose mounts with a rear clamp or screw attachment. For multiple ribbons, use a wider multi-place mount to keep a neat, professional layout.

Q: Is this the official award or does buying it confer the medal?

A: This product is a ribbon representation for display or uniform presentation. Purchasing the ribbon does not confer the official award or any military status.

Q: Is this ribbon suitable for tactical or police uniform displays?

A: Yes. It is appropriate for uniform displays and collections across military, tactical, and police contexts, provided local regulations allow its use.

Tip: Choose the variant that matches your intended use — flat regulation for official-appearance displays or Elite for a more striking look. Consider loose ribbon by the meter if you plan custom mounts or repairs, and browse related ribbon mounts and accessories to complete your set.
