Product overview

The Nastrino Cooperazione Ucraina is a service ribbon intended for military personnel who took part in cooperation activities with the Truppe Militarizzate del Ministero degli Interni dell'Ucraina. It is also suitable for collectors and for display on duty, tactical or police uniform sets.

Definition: a 37 mm regulation service ribbon that symbolizes cooperation and friendship between units. The ribbon is durable, formal in appearance, and offered in several mounting options to match standard ribbon bars and presentation displays.

Main features

Designed to meet common regulation formats, the ribbon balances a formal look with durable construction for regular wear or display.

- **Format:** Regulation size 37 mm.
- **Design:** Blue field with two vertical yellow stripes at center and thin white and red stripes at each edge (colors reflect the Ukrainian flag motif).
- **Materials:** Manufactured from quality materials for long-lasting wear and resistance.
- **Variants:** Flat regulation version or slightly curved “Elite” finish for a refined appearance.
- **Attachment options:** Single-place ribbon holder available with rear clamp or screw fixings (selectable in site options).
- **Multi-place mounting:** Available for assembly on two-or-more place metal ribbon bases for tidy presentation.

How to use / When it’s useful

Quick answer: wear during official ceremonies, parades and formal events, or mount it on a collection or ribbon display. It is intended to represent participation in cooperation activities with the Truppe Militarizzate del Ministero degli Interni dell'Ucraina.

In most cases, the ribbon is placed on the left chest alongside other ribbons and medals following unit dress regulations. For collectors and surplus displays, mounting on a multi-place metal base gives a professional, orderly look.

Care and notes

Basic care preserves appearance and helps the ribbon remain suitable for formal wear or display.

- Store in a dry place and avoid prolonged exposure to strong sunlight to prevent fading.
- Do not use harsh chemicals or abrasive cleaners; spot clean gently when needed.
- Select the proper attachment (clamp or screws) for secure mounting; tighten screws carefully to avoid damage.
- Only wear the ribbon on official uniform if you are authorized to do so under applicable regulations.
- Stock is limited; order promptly if you require a specific variant or mounting option.

FAQ

Q: What is the size of the Nastrino Cooperazione Ucraina?

A: The ribbon is produced in the regulation 37 mm format. This is the standard size for service ribbons.

Q: What materials are used?

A: The ribbon is made from quality textile and metal mounting components to ensure durability and suitable wear for formal occasions and display.

Q: How should I wear this ribbon?

A: Wear it on the left chest next to other ribbons and medals, following your unit or service dress regulations. For collectors, mount it on a ribbon bar or metal base.
