- **Fit:** Designed to sit correctly on standard service uniforms and maintain a neat profile.
- **Symbol:** Displays the achieved rank with dignity and pride.
- **Care:** Preserve appearance by following normal uniform cleaning and storage practices.

Product description:

Product overview

The Tubolarino Graduato Scelto ex Caporal Maggiore Scelto is a plastic rank tubolarino (small

sleeve patch) designed for Army service camouflage uniforms and intended for active military personnel. Definition: a tubolarino is a rank sleeve patch used to display and protect rank insignia on service camouflage.

Made on an olive?green heat?sealed backing, this tubolarino combines clear rank identification with durable construction for duty use. Sold through Tutto Militare with purchase restricted to serving personnel; availability is limited. Keywords: tactical, military surplus, duty.

Main features

Key features and visual details that matter for uniform compliance and durability.

- **Material:** Plastic on an olive?green heat?sealed sheath for resistance to wear.
- **Rank detail:** Central double red galloncino on a black field, with the ends joined by an arched connector.
- **Contrast spacing:** Internal spacing between the galloni is black for clear visual contrast.
- **Dimensions:** 7 cm height × 5.5 cm width — sized for service camouflage garments.
- **Durability:** Designed for regular use in duty and tactical conditions.
- **Purchase restriction:** Reserved for active military personnel after document verification.

How to use / When it’s useful

Quick answer: Use this tubolarino to display the Graduato Scelto rank on your service camouflage according to unit regulations. It is intended for sewn or fitted placement where your uniform regulations prescribe rank tubolarini.

In most cases, the tubolarino is fitted to service uniforms for daily duty, training, or ceremonial use when required by dress rules. To buy, prepare a copy of your service ID and the barracks delivery details for verification before purchase.

Care and notes

Simple care keeps the tubolarino legible and serviceable without altering its appearance.

- Clean with a damp cloth; avoid abrasive solvents that could damage the plastic finish.
- Avoid prolonged exposure to high heat or open flame to protect the heat?sealed backing.
- Sale reserved to active military personnel—proof of service and delivery location will be verified.
- Limited availability: order promptly if you need a replacement or spare.

FAQ

Q: Who can purchase the Tubolarino Graduato Scelto ex Caporal Maggiore Scelto?

A: Only active military personnel may purchase this item. Orders require submission and verification of service documentation before the purchase filter is removed.

Q: What are the tubolarino’s exact dimensions?

A: The tubolarino measures 7 cm in height and 5.5 cm in width, sized to fit standard service camouflage placement.

Q: What material is the tubolarino made from?

A: It is made of plastic applied to an olive?green heat?sealed sheath, designed for resistance and regular duty use.

Q: How do I send the required documentation to complete the purchase?

A: Provide a copy of your service ID or attestation via the designated attachment area during the site contact/registration process for verification.

Q: How long does document verification usually take?

A: Verification is carried out promptly to avoid long delays; processing time may vary depending on confirmation of the listed delivery location.

Q: Is the tubolarino kept in stock or is it limited?

A: Stock is limited and demand is high among personnel. If you need the item, it is advisable to place your order once documentation is ready.

Tip: Check the 7 cm × 5.5 cm dimensions against your uniform placement and preferred layout before ordering, and consider browsing related rank tubolarini or service accessories to complete your equipment selection.
