Product short description:

The Fascetta Metallo MOLISE 2002 is a robust metal clamp for professionals and DIY users who need reliable fastening for industrial and domestic applications.

- **Material:** High-quality metal construction for consistent strength.
- **Use:** Suitable for industrial and household fastening tasks.
- **Installation:** Quick, straightforward installation for fast fitting.
- **Finish:** Corrosion-resistant coating for reliable performance in harsh conditions.
- **Reliability:** Secure, long-lasting hold for routine and heavy-duty use.

Product description:

Product overview

The Fascetta Metallo MOLISE 2002 is a bronzed metal tag designed for collectors, military surplus enthusiasts, and users of tactical or police duty gear. It combines a refined engraved design with practical attachment features for easy use.

Definition: a bronzed metal band measuring 38 mm x 7 mm, engraved "MOLISE 2002" with foldable side tabs for attachment. The piece is suitable as a collector's item or a practical identification accessory.

Main features

Key features useful for tactical, military surplus, and police applications.

- **Material:** Bronzed metal for durability and a classic finish.
- **Size:** 38 mm x 7 mm — compact and easy to place.
- **Engraving:** Clear "MOLISE 2002" inscription for identification or display.
- **Foldable side tabs:** Tabs bend to secure the tag to straps or thin material.
- **Regulatory compliance:** Produced in accordance with DPCM 07/02/2019.
- **Limited stock:** Production quantities are small; demand is high.

How to use / When it’s useful

Quick answer: Use it as an identification tag, a label for duty or tactical equipment, or as a display piece in a military surplus collection. The foldable tabs allow simple attachment to thin straps, fabric edges, or display mounts.

In most cases, position the fascetta where the tabs can fold securely around the edge of the material and press the tabs flat. Its compact size makes it suitable for gear labeling, uniform detail, or collectible display without adding bulk.

Care and notes

Simple care keeps the fascetta looking its best and ensures reliable attachment.

- Avoid harsh chemicals or abrasive cleaners; wipe with a soft, dry cloth.
- Fold the side tabs carefully to prevent bending beyond the intended angle.
- Store in a dry place to limit corrosion or tarnishing over time.
- Order requirement: provide a copy of any required attestation when purchasing to comply with DPCM 07/02/2019.

FAQ

Q: What are the dimensions of the Fascetta Metallo MOLISE 2002?

A: The fascetta measures 38 mm x 7 mm. This compact size fits many display and labeling uses.

Q: What material is the tag made from?

A: It is made of bronzed metal, chosen for durability and a traditional appearance suitable for

collections or duty gear.

Q: Is the fascetta compliant with any regulation?

A: Yes. The product is produced in accordance with DPCM 07/02/2019 as stated by the manufacturer.

Q: How do I order this item?

A: When ordering, please submit the required attestation or documentation requested by the seller as part of the purchase process. Contact the store through their usual contact channel to confirm the order steps.

Q: Are the side tabs foldable?

A: Yes. The side tabs are designed to be folded to secure the fascetta to thin straps, fabric edges, or mounting surfaces.

Q: Is this suitable for tactical or police use?

A: The fascetta is suitable as an identification tag or detail for tactical, police, or duty equipment and also works well in military surplus collections.

Tip: Choose the right placement and attachment method for your use, and check required documentation before ordering. Consider browsing related tactical and military surplus accessories to complete your set.
