How to use / When it’s useful

Quick answer: this ribbon is used as a visual recognition of service during the Covid-19 emergency and is intended for authorized Polizia Locale personnel or for collectors preserving official insignia. Use it on an approved ribbon bar or display mount according to your department rules.

In most cases, the ribbon is worn or displayed alongside other service ribbons on a metal ribbon holder or kept as a loose ribbon for mounting. Choose the attachment type (clamp or screw) and the Plus or Elite finish based on whether you need a polished presentation for ceremonies or routine duty display.

Care and notes

Store and handle the ribbon like other uniform insignia to keep colors and metal detailing in good condition.

- Keep away from strong solvents and abrasive cleaners; wipe gently with a soft, dry cloth.
- Store in a flat box or ribbon holder to avoid creasing; keep metal parts dry to prevent tarnish.
- Intended for eligible Polizia Locale personnel; departments may require proof of service before official wear.
- Limited availability: consider ordering the desired variant early to ensure you get the correct attachment and finish.
