- **Design:** Ergonomic cut to ensure freedom of movement during active operations.
- **Pockets:** Strategically placed pockets keep essential tools and accessories within easy reach.
- **Use:** Practical, professional apparel ideal for routine duty and demanding environments.

Product description:

Product overview

The Tuta Operativa Nera OP Carabinieri is a duty suit designed for active members of the Arma dei Carabinieri who need a professional, functional uniform for public order and operational tasks. It combines a modern, authoritative look with practical features for daily service.

Definition: A tactical duty suit made in rip-stop 100% cotton, built for durability, comfort and identification on duty. This product is intended for tactical, police and military duty use.

Main features

Built for practical use and institutional identification, the suit balances comfort and durability while keeping a clean, professional appearance.

- **Rip-stop 100% cotton** fabric for tear resistance and breathability.
- **Reinforced critical points** — shoulders, elbows, seat and knees for extra wear resistance.
- **Distinctive red trim** on collar, cuffs and legs for Arma dei Carabinieri identification.
- **Multiple pockets** including vertical chest pockets, sleeve pockets and large side pockets on the trousers.
- **Secure closures and adjustments** — jacket zip with buttons, internal waist adjustment, Velcro on cuffs and ankles.
- **Velcro panels** on chest, shoulders and collar for identification and personalized patches.

How to use / When it’s useful

Use this suit for public order duties, patrols, training and other operational scenarios where durability and quick access to equipment are needed. The fabric breathability makes it suitable for long shifts.

Quick answer: It is intended for active Carabinieri and for collectors only when they hold the required prefectural license (Art. 28 TULPS). In most cases, purchase requires identity and service verification and delivery can be arranged to the command if documents are not provided.

Care and notes

Follow basic garment care for cotton rip-stop items and respect the purchase restrictions tied to service membership.

- Wash according to cotton and rip-stop care: gentle cycle, avoid high heat drying to preserve fabric and reinforcements.
- Repair or replace worn reinforcements as needed; reinforced zones bear most wear.
- Purchase restricted to active Arma dei Carabinieri personnel; collectors must provide a valid prefectural license (Art. 28 TULPS).
- Identity and service verification required before order completion; if documentation is not provided, delivery is made to the listed command address.

FAQ

Q: What is the main material of the suit?

A: The suit is made from rip-stop 100% cotton, chosen for its tear resistance and breathability during long shifts.

Q: Can anyone purchase this suit?

A: No. The Tuta Operativa Nera OP Carabinieri is reserved for active Arma dei Carabinieri personnel; collectors may purchase only with the proper prefectural license.

Q: What documents are needed to buy?

A: Buyers must provide a copy of their service ID or an official service attestation during the purchase process for account verification.

Q: Where will the suit be delivered?

A: Orders are normally shipped to the address provided. If required service documentation is not uploaded, the suit will be delivered to the command address indicated in the order.

Q: Can I add name or unit patches?

A: Yes. Velcro panels on the chest, shoulders and collar allow application of identification and personalized patches as needed for duty.

Q: How does the suit fit and can I adjust it?

A: The design offers an ergonomic cut with internal waist adjustment and Velcro cuffs/ankles to fine-tune the fit for comfort and mobility.

Tip: Choose the correct size and variant before ordering and check verification requirements early; also browse related tactical and duty items to complete your uniform and equipment.
