Product overview

The Componi La Piastrina Militare Esercito Italiana is a personalized steel military ID tag designed for Esercito Italiano personnel and collectors of military surplus, tactical or duty gear. It is supplied complete with a chain and a custom composition service so the wearer can record their identifying details.

Definition: a stainless-steel, double-sided identification dog tag, customizable front and back with

precise centered engraving for clear legibility.

Main features

Built for durability and clear identification, this tag balances traditional military design with personalization options suitable for duty, police or tactical use.

- **High-quality material:** durable steel construction for long-lasting use and corrosion resistance.
- **Size:** 4 x 4.5 cm with rounded corners for comfortable wear.
- **Full customization:** front and back configurable on two fields, each field containing three lines for names, dates, service numbers, citizenship, etc.
- **Functional design:** two slotted holes (asola) in the middle to allow controlled breakage if required.
- **Precise engraving:** centered engraving with clear, millimeter-accurate lettering.
- **Complete with chain:** tag is supplied with matching chain for immediate wear.

How to use / When it’s useful

Quick answer: use the provided fields to enter the exact text you want engraved, click SAVE, then add the item to your cart. The tag is commonly used by active military personnel, veterans, collectors of military surplus and those needing clear duty or police identification.

In most cases, standard entries include given name, family name, date and place of birth, service number and citizenship. The engraving is centered and uses the standard character set shown in the product options; double-check spelling before saving.

Care and notes

Simple care keeps the tag legible and intact; the steel resists water and normal wear, but avoid harsh chemicals and unnecessary force on the break slots.

- Check all text carefully before confirming your order — engravings are permanent.
- The tag is water- and corrosion-resistant thanks to its steel construction, but avoid abrasive cleaners.
- Do not attempt to force a break unless required; the slotted holes are designed to allow controlled separation when needed.
- Engraving uses centered, standard characters; select input from the available character set when composing.

FAQ

Q: What information can I have engraved on the tag?

A: Typical engravings include name, surname, date and place of birth, service number and citizenship. Each of the two fields supports three lines for flexible entries.

Q: Is the tag resistant to water and corrosion?

A: Yes. The tag is made from high-quality steel and is designed to resist water and normal corrosion. Avoid prolonged exposure to harsh chemicals to preserve the finish.

Q: How long does personalization take?

A: Personalization time can vary with order volume but generally takes a few working days. Allow for extra time during high demand periods.

Q: Can I choose the font or characters for the engraving?

A: Engraving is made with standard centered characters for clarity. The available characters include A–Z, 0–9 and common punctuation; select from the provided character set when composing.

Q: Does the tag come with a chain?

A: Yes. The Piastrina Militare Esercito Personalizzata is supplied complete with a chain so it is ready to wear on delivery.

Q: How do I order a customized tag?

A: Enter your desired text in the composition fields, click SAVE, then add the product to your cart. Verify spelling and line layout before finalizing the order.

Tip: Choose the correct variant and double-check spelling and layout before saving to ensure the engraving matches your needs. Consider browsing related tactical and military surplus items to complete your duty or display kit.
