Product overview

The Nastrino Sicurezza Internazionale is a service ribbon intended for military and civilian personnel of the Ministero della Difesa who have served in international security operations or at Command and Control or logistic support sites under agreements for ONU, NATO and the European Union. It is suitable for collectors, uniformed staff, and anyone managing ribbon displays for tactical, military surplus, or duty gear.

Definition: The Nastrino Sicurezza Internazionale is a recognition ribbon that represents service and commitment during international security missions.

Main features

Clear, durable construction and official-looking design make this ribbon suitable for display on uniform ribbon bars or multi-place mounts.

- **Color:** Light blue field referencing NATO and EU colors for international cooperation.
- **Italian flag ends:** Three vertical stripes red, white and green, each 4 mm wide, signifying national service.
- **Two styles:** Regulatory flat format and slightly domed “Elite” finish for a refined look.
- **Attachment choices:** Available with clamps (morsetti) or screws (viti) for secure fixing.
- **Mounting option:** Can be supplied pre-mounted on multi-ribbon holders (two or more places) for an organized display.
- **Quality:** Made with selected materials for durability and long-lasting appearance.

How to use / When it’s useful

Use the ribbon on your uniform ribbon bar, on a mounted ribbon plate, or as part of a multi-place porta nastrini to keep decorations neat and ready for inspection. Choose the clamp or screw attachment based on your uniform’s fixing system.

Quick answer: It is used as a recognition ribbon for personnel who served in designated international missions. In most cases, this ribbon is ordered by eligible service members, units preparing display sets, or collectors of military insignia.

Care and notes

Basic care keeps the ribbon looking correct on uniforms and display mounts. Select the attachment and style that match your existing ribbons and uniform regulations.

- Store in a dry place and avoid prolonged exposure to sunlight to preserve color.
- Clean gently with a soft cloth; avoid solvents or abrasive cleaners.
- Confirm the attachment type (morsetti or viti) before ordering to match your mounting hardware.
- Availability can be limited; order promptly if you need a specific variant or pre-mounted set.

FAQ

Q: Who is eligible to receive the Nastrino Sicurezza Internazionale?

A: The ribbon is intended for military and civilian personnel of the Ministero della Difesa who participated in international security missions or served in designated Command and Control or

logistic support roles under ONU, NATO and the European Union agreements.

Q: What attachment options are available?

A: You can choose between clamps (morsetti) for quick application or screws (viti) for a more secure, permanent fix.

Q: What are the style choices?

A: Two styles are offered: the standard regulatory flat format and a slightly domed “Elite” variant that provides a more distinguished appearance.

Q: Can the ribbon be mounted with others?

A: Yes. We offer pre-mounting on porta nastrini multipli with two or more places to keep ribbons organized and ready for wear.

Q: Is this an official government-issued ribbon?

A: The product is described as a recognition ribbon for eligible personnel. Check your unit or commanding authority for official issuance and wearing rules specific to your service.

Q: How do I order the correct variant?

A: Select the desired style and attachment from the product drop-down menu when ordering. If you are unsure, check your uniform regulations or contact your supply office before purchase.

Tip: Choose the attachment type and style that match your current ribbon bar and consider ordering pre-mounted porta nastrini if you need multiple ribbons displayed neatly; browse related tactical and military surplus ribbon accessories to complete your set.
