Product overview

These Gradi Gala Colonnello are a pair of embroidered colonel gala rank insignia in gold bullion on black cloth, designed for formal military dress uniforms and reserved for authorised personnel. Definition: a pair of gold-bullion embroidered colonel rank badges for gala/dress uniform use.

They are intended for members of the Esercito and Guardia di Finanza and for licensed collectors. Orders require verification of service membership or a delivery address at the barracks; collectors must provide a prefectural licence under art. 28 TULPS.

Main features

Clean, durable construction and period-accurate design make these insignia suitable for formal uniforms, military surplus collectors, and duty display.

- **High-quality materials:** Gold bullion (canutiglia oro) embroidery on black cloth for a durable, formal finish.
- **Refined design:** Taller outer stripe forming a narrow-loop collar, plus a horizontal gold stripe and two parallel higher stripes.
- **Correct orientation:** The overlapping section that closes the loop must face outward when applied.
- **Easy application:** Applied to the lower sleeve approximately 9 cm from the outer edge for consistent placement.
- **Compact size:** Each insignia measures 6 cm wide x 6 cm high, fitting gala uniforms without bulk.
- **Restricted supply:** Reserved for Esercito and Guardia di Finanza personnel and licensed collectors (art. 28 TULPS).

How to use / When it’s useful

Use these insignia on formal/dress uniforms for ceremonial duties, parades, and official events. They restore the correct visual rank cues for duty and display in a military or police context.

Quick answer: Apply the pair to the lower sleeve about 9 cm from the sleeve outer edge, with the overlap closed outward. In most cases, these are worn on gala/dress uniforms only and must be installed symmetrically on both sleeves.

Care and notes

Basic care keeps the bullion embroidery bright and the black cloth clean; handle gently to avoid crushing the metal thread.

- Store flat or on a padded hanger to prevent creasing of the bullion work.
- Spot clean gently; avoid harsh washing or dry-cleaning methods that may damage bullion threads.
- Ensure the overlapping loop is oriented outward when sewing or affixing.
- Sales restriction: purchase requires proof of service (ID card) or delivery to your barracks; collectors must provide the prefectural licence (art. 28 TULPS).
