How to use / When it’s useful

Quick answer: wearers who legally hold the OMRI Knight honor may display this nastrino as part of their dress, while others typically use it for display, replacement, or collection purposes. The ribbon is a compact, wearable symbol for uniforms, medals mounts, or presentation frames.

In most cases, choose the size and mounting style that match your existing ribbon bars or display case. Use the 37 mm size where a larger, more visible ribbon is preferred and 20 mm for smaller bars and compact displays.
