Product features:

Product short description:

The Distintivo in Metallo "Reparti Aerei Marina Militare" bronze badge is a heraldic-style metal emblem made to subtly complete the service uniform and denote membership of the aeronaval branch. It suits serving personnel and authorized collectors who value precise, long-lasting insignia.

- **Material:** Metal with bronze finish and enamelled central shield.
- **Diameter:** 2.7 cm.
- **Attachment:** Two rear pins with clutches for secure fastening.
- **Design:** Compact, recognizable motif with anchor, wings and naval crown.
- **Use:** For uniform wear by personnel and for authorized collectors.
