How to use / When it’s useful

Quick answer: use this nastrino for uniform restoration, display mounts, museum exhibits, or historical reenactment where an accurate Grand Cross ribbon is required. In most cases, collectors, military surplus dealers, and ceremonial outfitters choose the 37 mm version for authenticity.

It is appropriate for heritage collections, duty/dress displays, and private presentation. Note that this ribbon represents a dynastic order continued by Casa Savoia and is distinct from Italian state honors since 3 March 1951.

Care and notes

Store and handle the ribbon to preserve color and shape; choose the Elite finish for a slightly raised profile when needed.

- Keep dry and store flat or on a suitable portanastrino to avoid creasing.
- Clean gently with a soft, dry cloth; avoid abrasive cleaners or solvents.
- Limited availability: the ribbon reflects a dynastic order and demand may be high.
- Legal note: this is linked to a dynastic order; it is not an Italian state honor conferred by the Republic since 3 March 1951.
