Product overview

The Tubolari Sergente Maggiore Capo Qualifica Speciale Esercito are rank tubular insignia made

for serving members of the Italian Army (Esercito) who hold the Sergente Maggiore Capo Qualifica Speciale rank. They are intended for military personnel and verified collectors who hold the required authorisations.

Definition: a tubolare is a tubular rank patch produced in durable thermosealed plastic and designed as a visible uniform insignia. This product suits tactical, military surplus and duty uniform use where this specific rank is required.

Main features

Clear, durable rank tubolari with a distinctive gold motif; available in two background colours to suit different uniform pieces.

- **Material:** Thermosealed, high-quality plastic for long wear and resistance to abrasion.
- **Distinctive design:** Two gold "baffi" (chevrons) pointing down, topped by a five-point gold star inside a speckled frame; lower gold/black speckled rail.
- **Variants:** Khaki background for shirt and sweater, black background for service jacket.
- **Size:** Khaki plastic tubolari measure 5.5 cm wide × 9 cm high.
- **Restricted sale:** Reserved for Army personnel; collectors must provide the prefettizia license ex art. 28 TULPS.

How to use / When it’s useful

Quick answer: These tubolari are used as rank insignia for the Sergente Maggiore Capo Qualifica Speciale and are placed on the uniform according to service rules. They are suitable for daily duty uniforms and formal service jackets where this rank emblem is required.

In most cases, choose the khaki variant for shirts and sweaters and the black variant for service jackets. They are useful whenever you need a durable, visible rank insignia that holds up to field or duty use and routine wear.

Care and notes

Basic care extends the life of the thermosealed plastic tubolari and preserves their appearance; follow verification and purchase rules before ordering.

- Clean with a soft, damp cloth; avoid abrasive cleaners or solvents.
- Avoid prolonged exposure to high heat or direct flame to prevent deformation of the plastic.
- Sale requires a copy of military ID or service attestation; collectors must send the prefettizia license ex art. 28 TULPS.
- Limited availability: stock is restricted and demand is high; allow for verification time before purchase processing.

FAQ

Q: Who can purchase these tubolari?

A: Only serving Army (Esercito) personnel with proof of service may buy them. Verified collectors with a prefettizia license ex art. 28 TULPS are also eligible.

Q: What variants are available?

A: Two variants: khaki background for shirt and/or sweater use, and black background for the service jacket.

Q: What are the tubolari dimensions?

A: The khaki plastic tubolari measure 5.5 cm wide by 9 cm high. Dimensions for the black variant are made to match standard service jacket fitting.

Q: How do I prove I am eligible to buy?

A: Provide a copy of your military ID (tesserino) or a service attestation. You can also list your barracks as the delivery address for verification before order approval.

Q: Can collectors purchase these tubolari?

A: Yes, collectors must submit a copy of the prefettizia license ex art. 28 TULPS to be authorised to purchase.

Q: Are these tubolari durable for regular duty use?

A: Yes. They are made from thermosealed plastic designed to resist normal wear; follow the care notes to maintain appearance and shape.

Tip: Select the khaki variant for shirts/sweaters and the black variant for service jackets, and check verification requirements before ordering. Browse related uniform insignia and replacement items to complete your gear selection.
