Product overview

The Nastrino SMOM Operazioni Ex Jugoslavia is a commemorative ribbon for members and supporters of the Sovrano Militare Ordine di Malta (SMOM) who took part in operations in the former Yugoslavia. It is intended for uniform display, ceremonial wear, or collection by veterans,

ceremonial units, and military surplus or tactical gear enthusiasts.

Definition: This ribbon is a symbolic award representing service and dedication during SMOM operations in the ex-Yugoslavia region.

Main features

Clear, symbolic design with multiple mounting options to suit display and uniform standards.

- **Design:** Red and white background of the Ordine al Merito Melitense with the ex-Yugoslavia tricolour (red/white/blue) and crossed sabres at the center.
- **Variants:** Available in the standard flat regulation format and a slightly domed "Elite" finish.
- **Mounting options:** Can be supplied on a ribbon bar with rear attachments using clamps or screws (selectable at purchase).
- **Multi-slot display:** Suitable for mounting on multi-place ribbon bars to group several ribbons together.
- **Limited availability:** Produced in small runs due to its commemorative nature.

How to use / When it’s useful

Quick answer: Wear the ribbon on the uniform ribbon bar for ceremonial occasions or mount it on a multi-slot holder for display. It is appropriate for SMOM members, veterans, collectors, and those sourcing duty or police ceremonial items from military surplus.

In most cases, choose the flat format for regulation-style presentation and the Elite variant if you prefer a slightly convex finish. Select clamps or screws based on your ribbon bar system and how the ribbon will be displayed or worn.

Care and notes

Simple handling and storage will preserve the ribbon’s appearance and symbolic value.

- Store in a dry, cool place away from direct sunlight to prevent fading.
- Clean gently with a soft, dry cloth; avoid solvents or abrasive cleaners.
- When ordering, confirm the mounting type (clamps or screws) and the flat or Elite variant.
- Note the product is limited in quantity; availability can change.

FAQ

Q: What does the Nastrino SMOM Operazioni Ex Jugoslavia represent?

A: It is a commemorative ribbon that recognizes service, dedication, and participation by SMOM members in operations carried out in the former Yugoslavia region.

Q: Which formats are available?

A: The ribbon is offered in a standard flat regulation format and a slightly domed "Elite" variant. Both can be mounted on ribbon bars.

Q: How can I mount the ribbon?

A: It can be supplied on a ribbon bar with rear attachments using either clamps or screws. Choose the attachment option that matches your display or uniform system.

Q: Can I display multiple ribbons together?

A: Yes. Multi-place ribbon holders are available to mount two or more ribbons side by side for an orderly display.

Q: Are there many pieces available?

A: Availability is limited because this is a commemorative item. If you need one, consider ordering promptly to avoid stock shortages.

Q: Is this suitable for collectors or tactical/military surplus buyers?

A: Yes. The ribbon is appropriate for collectors, veterans, ceremonial units, and buyers of military surplus or tactical and duty-related display items.

Tip: When ordering, confirm the format (flat or Elite) and the rear attachment (clamps or screws) to match your ribbon bar; consider browsing related ceremonial ribbons and multi-slot holders to complete your display.
