Product overview

The Embroidered Round ONU (United Nations) Patch with rear velcro is a tactical-style patch for collectors, military surplus buyers, police, duty personnel and outdoor enthusiasts who want a

visible symbol of UN values. Definition: a round embroidered ONU patch with a hook-and-loop (velcro) backing for quick attachment to uniforms and gear.

The patch features the blue UN field, a globe projection from the North Pole and olive branches, symbolizing peace and international cooperation. It suits uniforms, tactical jackets, backpacks and caps while adding a clear message of unity and solidarity.

Main features

Compact, durable and easy to move between items—key features for tactical, police and military surplus use.

- Distinctive design: blue background with globe view from the North Pole, olive branches and the text “UNITED NATIONS - NATIONS UNIES”.
- Embroidered detail for clear visibility and long-lasting appearance.
- Rear hook-and-loop (velcro) backing for fast attachment and removal.
- Durable materials designed to resist daily wear, rain, dust and frequent washing.
- Perfect size: 8 cm diameter balances visibility with low bulk.
- Suitable for collectors and users of tactical gear, military surplus and duty uniforms.

How to use / When it’s useful

Quick answer: Attach the patch to any garment or accessory with a compatible velcro surface—uniforms, tactical jackets, backpacks and caps are common uses. The velcro backing makes swapping between items fast and easy.

In most cases, the patch is used to identify equipment, personalize gear or show support for UN values during operations, training, outdoor activities and everyday wear. It also fits collectors who focus on military surplus and peace-related insignia.

Care and notes

Simple care keeps the patch looking its best and preserves the embroidery.

- Cleaning: wipe gently with a damp cloth to remove dust or stains.
- Storage: keep away from prolonged heat and high humidity to protect colors and stitching.
- Use only on fabrics or panels compatible with hook-and-loop attachment.
- If attached to washable garments, check garment washing instructions; remove the patch if recommended by the garment care label.

FAQ

Q: Can the patch be applied to any fabric?

A: The patch attaches to surfaces with a compatible hook-and-loop (velcro) field. It can be used on uniforms, tactical jackets, backpacks and caps that have velcro panels.

Q: Is the patch weather resistant?

A: The patch is made from materials designed to resist rain, dust and regular use. Avoid prolonged exposure to extreme conditions to preserve colors and stitching.

Q: Will the embroidery fade or fray with time?

A: The embroidery is produced to maintain its detail after normal use and washing, but proper care and storage will extend its appearance.

Q: Is it easy to remove and reattach?

A: Yes. The rear hook-and-loop system allows quick removal and reattachment so you can move the patch between items as needed.

Q: What are the exact dimensions?

A: The patch has a diameter of 8 cm, offering good visibility without adding bulk to clothing or gear.

Q: Is this patch suitable for collectors?

A: Yes. Its design, quality materials and embroidered finish make it a suitable item for collectors of military surplus and peace-related insignia.

Tip: Choose the right placement and check your garment’s velcro compatibility before purchase. Consider browsing related tactical patches and military surplus accessories to match your kit and complete your collection.
