How to use / When it’s useful

Quick answer: mount on a ribbon bar or display board to represent the Grand Cross of the Military Order of Savoy in collections or historical uniforms. Attach the ribbon to a portanastrino to keep multiple ribbons arranged on a single metal base.

In most cases, collectors and uniform restorers use this ribbon for museum displays, ceremonial reproductions, or educational exhibits. Choose the Elite finish if you want a slightly more pronounced three-dimensional appearance on the uniform ribbon bar.

Care and notes

Handle and store the ribbon gently to preserve its shape and colour; avoid exposure to moisture and strong cleaning agents.

- Store flat or on a ribbon bar to prevent creasing.
- Keep away from direct sunlight and damp environments to avoid fading or mildew.
- Do not use solvents or abrasive cleaners; spot-clean lightly if needed.
- Stock is limited due to historical demand; consider ordering promptly if you need a specific finish or combination.
