Product overview

The Nastrino Grande Ufficiale Ordine Militare Savoia is a historic ribbon bar intended for collectors, reenactors, museums and uniformed professionals interested in military insignia, tactical dress or duty uniforms. It represents the ribbon for the grade of Grande Ufficiale in the Savoia military order and suits military surplus collections and display use.

Definition: a nastrino is a small ribbon bar that represents a formal order or medal and is worn on a ribbon mounting. This product is sized to regulation dimensions and offered with mounting options for easy display or wear.

Main features

Well-crafted to the original regulation size, the ribbon is available in two finish options and can be fitted to multi-place metal ribbon bars for uniform or display use.

- **Regulation size:** supplied in the standard 37 mm format.
- **Finish options:** flat standard version or slightly convex "Elite" variant for a refined look.
- **Mounting choices:** rear attachments available as clamps or screws—select before purchase.
- **Multi-place compatible:** mounts easily on two-or-more place metal ribbon bars for grouped display.
- **Durable materials:** made to hold up on display or light use while keeping a clean appearance.
- **Collector appeal:** limited quantities make it a sought item for historical collections and military surplus enthusiasts.

How to use / When it’s useful

Quick answer: use the nastrino on a ribbon bar for uniform wear, museum display, or as part of a private collection. It fits standard metal ribbon mounts and can be combined with other ribbons on a multi-place base.

In most cases, choose the mounting type that matches your ribbon bar (clamps for quick fit, screws for a secure hold). Ideal for historical displays, reenactment uniforms, police or duty presentation uniforms, and military surplus collections.

Care and notes

Handle and store the ribbon to preserve its appearance; small parts such as screws or clamps should be kept secure. Check fittings before mounting and store in a dry place when not in use.

- Keep dry and avoid prolonged exposure to sunlight to prevent fading.
- Clean gently with a soft, dry cloth; avoid abrasive cleaners.
- Check screws or clamps periodically to ensure a secure fit.
- Small parts present—keep away from children and store safely.

FAQ

Q: What is the ribbon size?

A: The nastrino is made to the regulation size of 37 mm. This ensures compatibility with standard ribbon mounts and display bars.

Q: Which mounting options are available?

A: You can choose rear clamp attachments or rear screws. Select the preferred attachment type when ordering to match your ribbon bar.

Q: Is there a special version of the ribbon?

A: Yes, there is a slightly convex variant known as the "Elite" finish. The flat standard version is also available for a traditional look.

Q: Is this suitable for collectors?

A: Yes. The ribbon is sought after by collectors and those building military surplus or historic insignia collections due to its regulated size and period styling.

Q: What materials are used?

A: The ribbon is produced from durable materials designed to keep a neat appearance during display and light use. It is made for long-term visual stability rather than heavy operational wear.

Q: How do I complete the purchase?

A: Add the desired variant and mounting option to your cart and proceed with checkout on the site. Verify your choice of flat or Elite finish and mounting type before finalizing the order.

Tip: Choose the finish and mounting that best fit your display or uniform use, and browse related ribbon bars and multi-place mounts to assemble a complete set without rushing your choice.
