Product short description:

Sacco a Pelo Camo a Mummia -5° is a camo mummy sleeping bag for campers and hikers who need compact, dependable warmth outdoors. It delivers thermal insulation suitable for overnight use in temperatures down to -5°C.

- **Material:** Constructed from durable, lightweight materials for regular outdoor use.
- **Temperature:** Insulation designed to keep you warm down to -5°C.
- **Design:** Mummy-style shape wraps the body to maximize warmth and reduce heat loss.
- **Use:** Ideal for camping and hiking; camouflage print adds an adventurous look.
- **Portability:** Easy to carry and store, suitable for backpacking and weekend trips.

Product description:

Product overview

The Sacco a Pelo Camo a Mummia -5° is a mummy-style sleeping bag designed for campers, hikers, and field workers who need reliable warmth and easy transport in cool to cold conditions. Definition: a mummy sleeping bag rated for comfort down to -5°C with a compact compression

bag for transport.

Built with durable polyester shells and 350 g/m² hollow-fiber insulation, it suits outdoor, tactical, and military surplus uses as well as duty and police field work where warmth and compact storage matter.

Main features

Practical, transportable design with thermal insulation and user-focused details.

- **Comfort down to -5°C:** Hollow-fiber fill 350 g/m² provides reliable thermal insulation.
- **Durable materials:** Polyester shell and lining for long-lasting use.
- **Generous size:** Maximum dimensions 230 cm x 80 cm for comfortable sleeping space.
- **Compact and portable:** Compresses into a 45 x 24 cm carry sack for easy transport.
- **Lightweight:** Total weight 2.2 kg, suitable for hikes and deployments.
- **Mummy design with hood:** Close-fitting shape, adjustable hood and quality zipper to reduce heat loss.

How to use / When it’s useful

Quick answer: use the bag for cold-weather camping, overnight outdoor work, or situations where a compact, warm sleeping option is needed. It is intended for temperatures down to the stated comfort rating of -5°C.

In most cases, the mummy shape and adjustable hood maximize warmth while the compression bag saves space in a rucksack or vehicle. Ideal for weekend hikers, tactical teams using military surplus gear, and duty personnel who need an easy-to-store sleeping solution.

Care and notes

Simple care extends the bag’s life; follow the garment label for full instructions.

- Store dry and loosely when not compressed to preserve insulation loft.
- Spot clean or use a gentle wash cycle according to the care label; air dry completely before storage.
- Avoid open flames and direct heat sources near the bag.
- Not rated for sustained conditions significantly below -5°C; use additional insulation if needed.

FAQ

Q: What is the comfort temperature of this sleeping bag?

A: The bag is rated comfortable down to -5°C, based on its 350 g/m² hollow-fiber insulation.

Performance may vary with user metabolism and clothing.

Q: What are the bag’s packed dimensions?

A: When compressed in its carry sack the sleeping bag measures approximately 45 x 24 cm, making it easy to store in a pack or vehicle.

Q: How much does the sleeping bag weigh?

A: The Sacco a Pelo Camo a Mummia -5° weighs 2.2 kg, a balance between insulation and portability for hiking and field use.

Q: What materials are used in the bag?

A: The inner and outer shells are polyester, and the insulation is hollow-fiber fill at 350 g/m² for thermal performance and durability.

Q: Is the bag suitable for winter use?

A: Yes, it is designed to provide comfort and warmth in cold conditions down to -5°C; for extreme cold below that rating, add insulation or choose a lower-temperature bag.

Q: Does the bag have features to reduce heat loss?

A: The mummy shape, adjustable hood, and quality zipper help minimize heat loss and keep the head and torso warmer during sleep.

Tip: Choose the right size and check weight and packed dimensions for your kit; compare this bag with other tactical or military surplus sleeping options to find the best match for your needs.
