Product overview

The **Crest Polizia Scientifica** is a mounted emblem on a wooden base that represents the

Direzione Centrale Anticrimine della Polizia di Stato Servizio Polizia Scientifica. It is intended for collectors, serving officers, police memorabilia enthusiasts and anyone interested in tactical or military surplus items.

Definition: The Crest Polizia Scientifica is a decorative plaque (17 cm W x 22 cm H) that displays the official symbols and wording of the scientific police service.

Main features

Clear, museum-style design and quality materials make this crest suitable for office display, study walls, or a private collection.

- **Distinctive design:** Round blue field with a magnifying glass over a fingerprint on the right side, reflecting forensic focus.
- **Official symbolism:** Left upper register shows a book titled *LEX*; lower register features the Vitruvian Man, representing principle, proportion and method.
- **High-quality finish:** The roundel is edged with a gold braided cord on a blue background and set in a ring with gold lettering on a crimson field.
- **Official inscription:** Ring reads in gold letters: DIREZIONE CENTRALE ANTICRIMINE DELLA POLIZIA DI STATO SERVIZIO POLIZIA SCIENTIFICA.
- **Display-ready size:** Dimensions 17 cm width x 22 cm height — compact for desks, walls or shelves.
- **Collector value:** A historic-style piece representing the commitments and duties of the Polizia di Stato.

How to use / When it’s useful

Use as a display plaque in an office, reception area, study or personal collection. It works well as a formal gift for colleagues, retirees or supporters of police and duty services.

Quick answer: place the crest on a shelf or hang it where it can be seen but not in direct sunlight. In most cases, this item is used for display rather than functional use, adding official character to a professional or home environment.

Care and notes

Simple care keeps the wooden base and gilded details in good condition; treat the crest as a decorative collectible.

- Dust gently with a soft, dry cloth; avoid abrasive cleaners.
- Keep away from prolonged direct sunlight and high humidity to protect colors and wood.
- Handle the plaque by its base to avoid touching painted or gilded surfaces.

FAQ

Q: What are the dimensions of the Crest Polizia Scientifica?

A: The crest measures 17 cm in width and 22 cm in height. These compact dimensions suit desks, shelves or small wall spaces.

Q: What material is the base made from?

A: The base is made of high-quality wood, finished to complement the roundel and gold detailing.

Q: What does the book titled LEX represent?

A: The book labeled LEX refers to the guiding legal and ethical principles that inspire the work of the Polizia di Stato.

Q: What is the meaning of the Vitruvian Man image?

A: The Vitruvian Man symbolizes harmony, proportion and method—values associated with scientific and forensic police work.

Q: Is the crest available in large quantities?
