Product short description:

The Commendatore ribbon of the Ordine Militare di Savoia is a wearable emblem of prestige and honor. Designed for collectors, history enthusiasts and reenactors, it evokes a heritage of service and leadership.

- **Material:** Woven, high-quality fabric chosen to reproduce the Order's distinctive colors.
- **Design:** Traditional ribbon pattern reflecting historical styling and military symbolism.
- **Use:** Suitable for display, museum collections, ceremonial costume or as a commemorative keepsake.
- **Condition:** Finished for display and wear; offered as a collector's ribbon, not a state-issued decoration.

Product description:

Product overview

The Nastrino Commendatore Ordine Militare Savoia is a historic military ribbon intended for collectors, re-enactors, museums, and anyone who requires an authentic-looking insignia for ceremonial or display use. It reproduces the ribbon bar worn for the Commendatore rank of the

Order of Savoy, preserving its traditional appearance.

Definition: a nastrino is a small ribbon bar representing a specific order or medal, meant to be worn on uniforms or displayed in a ribbon mount. This product suits military surplus, tactical, and ceremonial collections.

Main features

Built to traditional specification with options for presentation and fit, the ribbon is available in standard sizes and finishes to match different display and wearing needs.

- **Regulation flat format** for an official, low-profile look.
- **Elite variant (slightly domed)** for a subtler three-dimensional appearance.
- **Two sizes**: 37 mm and 20 mm to match different uniform mounts or displays.
- **Portanastrino selectable** — choose a ribbon bar mount from the product menu for neat presentation.
- **Historical origin noted**: linked to the House of Savoy decree (Regio decreto 28 March 1857, n. 2116) as the third-highest wartime honor.

How to use / When it’s useful

Use this nastrino on uniform ribbon bars, in multi-ribbon displays, or as part of a curated military surplus or memorabilia collection. It fits both display boards and standard ribbon mounts used by collectors and reenactors.

Quick answer: choose the 37 mm size for full-size mounts and the 20 mm for compact or mini ribbon bars. In most cases, select the Elite variant if you prefer a slightly raised, more visible ribbon on a display or duty uniform.

Care and notes

Store and handle the ribbon as you would other insignia to preserve color and shape. Check your chosen size and mount before purchase to ensure proper fit.

- Keep in a dry, cool place away from direct sunlight to avoid fading.
- Select the correct size (37 mm or 20 mm) and the desired format (flat or Elite) before adding to cart.
- Portanastrino (ribbon bar mounts) must be chosen separately from the dropdown menu if required.
- Availability is limited due to demand; consider acting promptly if you need a specific size or variant.

FAQ

Q: What sizes are available for the Nastrino Commendatore Ordine Militare Savoia?

A: The ribbon is available in two sizes: 37 mm and 20 mm. Choose the size that best matches your ribbon mount or display.

Q: What is the Elite variant of the ribbon?

A: The Elite version is slightly domed, giving a subtle three-dimensional look compared with the flat regulation format. It is chosen for a more refined presentation.

Q: Can I buy a portanastrino (ribbon bar mount) with the ribbon?

A: Yes. A portanastrino can be selected from the dropdown menu when you add the ribbon to your cart, allowing for immediate, neat mounting.

Q: What is the historical significance of this nastrino?

A: This ribbon represents the Commendatore rank of the Order of Savoy, historically the third-highest wartime honor awarded by the House of Savoy (Regio decreto 28 March 1857, n. 2116).

Q: How can I be sure of the ribbon's quality?

A: The ribbon is produced to traditional regulatory format and finished with quality materials to ensure durable presentation and accurate appearance for display or uniform use.

Q: Is this ribbon suitable for tactical or police display uniforms?

A: Yes. The nastrino works well for ceremonial or display use on tactical, police, and military surplus uniforms where historical or formal insignia are required.

Tip: Choose the correct size (37 mm or 20 mm) and the desired format (flat or Elite) before purchase, and consider adding a portanastrino for neat display. Browse related ribbon mounts and multi-ribbon holders to complete your collection or uniform setup.
