- **Design:** Elegant, distinctive look that serves as a meaningful accessory.
- **Symbol:** A token of gratitude and dedication; wear it with pride to acknowledge your role in a significant chapter of recent history.

Product description:

Product overview

The SMOM COVID-19 ribbon is a commemorative service ribbon made for the Sovrano Militare Ordine di Malta (SMOM) personnel and for collectors who wish to honor pandemic service. It is intended for civilian and military staff of the Order and for private collectors of military surplus and ceremonial items.

Definition: The Nastrino COVID-19 SMOM is a commemorative ribbon featuring red and white stripes with a silver-coloured metal plate engraved "COVID-19". It is suitable for display on ribbon

bars or multi-ribbon mounts and for collectors of tactical, military surplus and duty/police memorabilia.

Main features

Distinctive design and construction that reflects the Order's recognition of service during the COVID-19 emergency.

- **Design:** Four red stripes alternating with white, symbolizing ongoing commitment.
- **Engraved metal plate:** Silver-coloured cartouche engraved with "COVID-19".
- **Two formats:** Regulatory flat format and slightly domed "Elite" format.
- **Attachment options:** Choice of clamp fittings or screw fittings for fixation.
- **Durable materials:** Made for long-term display and handling.
- **Limited availability:** Produced in small quantities and in high demand.

How to use / When it’s useful

Quick answer: Wear the ribbon on the appropriate ribbon bar or mount it on a multi-ribbon base for display. It is meant to recognize service or to be part of a collection of military and humanitarian awards.

In most cases, choose the regulatory flat format for uniform or formal wear and the slightly domed Elite format for presentation or collector displays. The clamp or screw attachment should be selected based on the mounting method you prefer.

Care and notes

Basic care keeps the ribbon and metal plate looking its best; handle gently and store in a dry place. Note intended recipients and limited stock when choosing a variant.

- Clean the metal plate with a soft, dry cloth; avoid abrasive cleaners.
- Store flat or in a display case to prevent bending or damage.
- Intended primarily for SMOM civilian and military personnel, but available to collectors.
- Limited quantities: consider your preferred format and attachment when ordering.

FAQ

Q: Who can purchase the SMOM COVID-19 ribbon?

A: The ribbon is intended for SMOM civilian and military personnel and is also available to collectors and enthusiasts of military surplus and ceremonial items.

Q: What customization options are available?

A: You can choose between the regulatory flat format and the slightly domed Elite format, and select either clamp or screw fittings for attachment.

Q: Is the ribbon produced in large quantities?

A: No, production is limited. The ribbon is in high demand and available in restricted quantities, so choosing your preferred variant early is recommended.

Q: How can I display the ribbon on a multi-ribbon mount?

A: The ribbon can be fitted to standard multi-ribbon bases using the chosen attachment method (clamp or screw). Select the correct mounting option for your display base.

Q: What does the ribbon design mean?

A: The red and white stripes represent the ongoing commitment to counter the spread of the virus and honor the courage and dedication of those involved during the health emergency.

Q: What materials are used and how durable is the ribbon?

A: The ribbon combines durable fabric with a silver-coloured metal cartouche engraved "COVID-19". It is designed for long-term display when cared for properly.

Tip: Choose the format and attachment that match your intended use—flat for uniform wear, Elite for display—and check availability before completing your purchase. Consider browsing related ribbons and mounts to complete a coordinated display.
