Product overview

The Global War on Terrorism Expeditionary ribbon recognizes U.S. and allied military personnel who served in operations related to the global war on terror beginning 11 September 2001. It is intended for service members, veterans, collectors and shops dealing in military surplus, tactical and duty gear.

Definition: This is a service ribbon worn to denote participation in expeditionary operations related to the Global War on Terrorism.

Main features

Classic design and quality construction make this ribbon suitable for uniform display, collections, or replacement on ribbon bars used by police, military, and tactical units.

- **Recognizable design:** light blue field with alternating blue/white/blue stripes and a central red vertical stripe flanked by alternating light blue and yellow stripes of 2 mm.
- **Two finishes:** available in flat regular format and a slightly domed "Elite" variant.
- **Mounting options:** can be ordered with a single-ribbon holder secured by clips or screws (selectable when ordering).
- **Compatible packaging:** suitable for multi-place ribbon bars that hold two or more ribbons on a single metal base.
- **Durable materials:** manufactured with quality materials to maintain appearance over time.

How to use / When it’s useful

Quick answer: wear it on the uniform ribbon bar to represent expeditionary service related to the Global War on Terrorism, or add it to a medal display or military surplus collection. In most cases, it replaces or complements existing service ribbons on dress uniforms and display mounts.

This ribbon is useful when assembling duty or dress ribbon bars for active personnel, veterans, ceremonial displays, or for resale in tactical and military surplus stores. Choose the flat or Elite finish based on preferred appearance or collector preference.

Care and notes

Basic care keeps the ribbon presentable for uniform wear or display; select mounting options at purchase and check compatibility with your ribbon bars.

- Keep away from sharp chemicals or prolonged sunlight to avoid fading.
- Clean gently with a soft cloth; avoid abrasive cleaning methods.
- Select clips or screws at purchase to match your ribbon bar type.
- Limited stock may apply; availability can vary.
