Product overview

The LITUANIA bronzed metal ribbon bar is a decorative identification strap designed for the ribbon of the International Security Cross. It is intended for military personnel, veterans, collectors, and organizations that need a clear national identifier for service recognition.

Definition: A bronzed metal fascetta engraved with "LITUANIA" made to attach to the ribbon of

the International Security Cross, reflecting Lithuania’s role in NATO Air Policing since 1 December 2014.

Main features

Simple, durable design that clearly identifies national contribution and complements formal ribbons and medals used by military, tactical, and police units.

- **Bronzed metal construction:** refined appearance with long-lasting wear resistance.
- **Clear engraving:** "LITUANIA" lettering for immediate national identification.
- **Fits International Security Cross:** made to be applied to the ribbon of the International Security Cross.
- **Symbolic value:** recognizes Lithuania’s continued participation in NATO Air Policing (from 1 Dec 2014).
- **Limited availability:** produced in small quantities, suitable for collectors and active service members.

How to use / When it’s useful

Quick answer: Slide the fascetta onto the ribbon of the International Security Cross following the included instructions so the engraving is centered and readable. It is useful for formal dress, displays, and unit recognition.

In most cases, the fascetta is used by military personnel and ceremonial units to show national representation during NATO operations or commemorative events. It also suits collectors of military surplus and duty equipment who want authentic identifiers on ribbons.

Care and notes

Keep the fascetta clean and store it with other medal accessories to preserve the finish and engraving.

- Wipe with a soft, dry cloth to remove fingerprints and dust.
- Store in a dry, cool place away from abrasive items to avoid scratches.
- Follow the attachment instructions included with the product to avoid damaging the ribbon.
- Availability is limited; check stock before planning for displays or unit issue.

FAQ

Q: What material is the LITUANIA fascetta made from?

A: The fascetta is made from bronzed metal designed for a refined look and durable use on ribbon decorations.

Q: Will this fascetta fit all International Security Cross ribbons?

A: Yes. It is produced to standard dimensions to fit the ribbon of the International Security Cross. Follow the supplied instructions for correct placement.

Q: How do I attach the fascetta to the ribbon?

A: The fascetta slides onto the ribbon; the product includes simple attachment instructions. Ensure the engraving faces outward and sits centered for proper display.

Q: Is this item suitable for collectors and display?

A: Yes. Its bronzed finish and clear national marking make it appropriate for collectors, ceremonial displays, and official dress use.

Q: Can I buy this item for international shipping?

A: Yes, international orders are accepted. Shipping times and costs depend on your location and will be shown at checkout.

Q: Why is availability limited?

A: Production is intentionally small to preserve the item's role as a formal recognition piece; demand from service members and collectors can reduce stock quickly.

Tip: Choose the correct variant or size where applicable and browse related items such as ribbon bars and medal accessories to complete your display. This helps ensure a consistent, professional presentation for military, tactical, and police dress or collection needs.
