Product short description:

The "Fascetta Romania" is an elegant, versatile decorative band that adds a refined touch to everyday and special occasion outfits. Ideal for shoppers who appreciate culturally inspired, understated style.

- **Material:** Made from high-quality materials for comfort and long-lasting wear.
- **Design:** Colors and motifs inspired by traditional Romanian patterns for a cultural accent.
- **Use:** Easy to put on and combine with different looks; suitable for daily wear or events.
- **Style:** A tasteful accessory for those who want to stand out with class and refinement.

Product description:

Product overview

The Fascetta Romania is a bronzed metal ribbon bar designed to attach to the ribbon of the Commemorative Cross for International Security. It is intended for service members, veterans, collectors, and stores selling military surplus, tactical and police memorabilia.

Definition: the Fascetta Romania is a bronzed metal strap marked "ROMANIA" that denotes Romanian participation in the NATO Air Policing mission that began on 1 January 2016.

Main features

Simple, durable and symbolic — the fascetta improves the look of the Commemorative Cross ribbon while identifying national contribution.

- **Bronzed metal construction** for a refined, long-lasting appearance.
- **Stamped "ROMANIA"** to clearly identify national origin and service.
- **Designed for ribbon use** — fits the ribbon of the Commemorative Cross for International Security.
- **Polished finish** that enhances medal presentation and display.
- **Suitable for collectors and duty displays** in tactical, military surplus, or police contexts.

How to use / When it’s useful

Attach the Fascetta Romania to the ribbon of the Commemorative Cross to show Romanian participation in NATO Air Policing. It is useful for dress displays, awards cabinets, or collector presentations.

Quick answer: apply the bar directly to the ribbon where other ribbon devices are placed; it is meant to sit visibly above the medal. In most cases, the fascetta is used with formal dress or display mounts and enhances the ribbon’s visual and symbolic value.

Care and notes

Keep the fascetta looking its best with basic, careful maintenance and be aware availability is limited.

- Clean with a soft, dry cloth; avoid abrasive cleaners or harsh chemicals.
- Store dry and separate from rough items to prevent scratches.
- Check fit on your specific commemorative ribbon before final display.
- Limited quantities available — orders may be subject to stock levels.

FAQ

Q: What material is the Fascetta Romania made of?

A: The fascetta is made of bronzed metal. The finish is intended to be durable and to maintain its appearance over time.

Q: How is the fascetta applied to the Commemorative Cross ribbon?

A: It is designed to be placed on the ribbon above the cross, similar to other ribbon bars and devices. Fit can vary slightly by ribbon type, so check alignment during application.

Q: What does the inscription "ROMANIA" mean on the fascetta?

A: The "ROMANIA" marking identifies the national origin of the forces involved and acknowledges Romania’s contribution to the NATO Air Policing mission.

Q: Is the fascetta durable?

A: Yes. The bronzed metal construction provides resistance to normal wear; proper care will help maintain its finish.

Q: Is this item suitable for collectors of military surplus or tactical/police memorabilia?

A: Yes. The fascetta is suitable for collectors and stores focused on military surplus, tactical gear displays, and police or duty memorabilia.

Q: Is the Fascetta Romania always in stock?

A: No. The item is produced in limited quantities and demand can be high; availability depends on current stock.

Tip: Choose the correct ribbon variant and check fit before final installation. Browse related medal accessories, ribbon bars, and display items to complete your presentation without rush.
