Product short description:

The SMOM COVID-19 band is a practical accessory for anyone wearing the SMOM COVID-19 ribbon or completing the SMOM medal set. Made from quality materials, it offers comfortable, easy-to-wear support and a neat, professional finish suitable for daily wear or formal occasions.

- **Material:** Quality construction with attention to comfort and durability for regular use.
- **Use:** Designed to complete and secure the SMOM COVID-19 medal or insignia without altering the ribbon.
- **Fit:** Simple to attach and shaped to fit the SMOM COVID-19 ribbon precisely.
- **Color:** Polished silver finish that complements uniforms and insignia displays.

Product description:

Product overview

The Fascetta COVID-19 SMOM is a silver-plated metal ribbon bar designed for medals issued by the Sovrano Militare Ordine di Malta (SMOM). It is intended for medal collectors, honorees, and organizations that want to mark service or contribution during the COVID-19 pandemic.

Definition: a small silver-plated metal bar (fascetta) that attaches to a medal ribbon to signify COVID-19-related service. This item is suitable for military surplus collectors, tactical and duty display, and police or humanitarian award presentations.

Main features

Elegant, durable, and easy to fit to most medal ribbons, the Fascetta COVID-19 SMOM adds a discreet symbol of service and resilience.

- **Material:** silver-plated metal for a polished, long-lasting finish.
- **Symbolic value:** marks service and commitment during the COVID-19 pandemic for SMOM medals.
- **Ribbon fit:** designed to attach to a medal ribbon and integrate with the medal's design.
- **Durability:** metal construction intended to resist wear over time.
- **Availability:** produced in limited quantities; demand may be high.
- **Dimensions:** source text lists measurements as either 5 mm x 37 mm or 11 mm x 3.4 mm — confirm the variant before ordering.

How to use / When it's useful

Quick answer: slide or place the fascetta onto the medal ribbon where it sits centrally above the medal to display the COVID-19 service marker. It is used when you want to visibly acknowledge pandemic-era service on an SMOM medal.

In most cases, the fascetta is a final decorative detail added after the medal is mounted on its ribbon. Check the ribbon width and the fascetta dimensions before fitting to ensure proper alignment and a secure fit.

Care and notes

Keep the fascetta clean and stored with care to preserve its finish; confirm size compatibility to avoid damage when fitting.

- Store dry and away from harsh chemicals to protect the silver plating.
- Clean gently with a soft, dry cloth; avoid abrasive cleaners that could remove plating.
- Verify measurements before purchase to ensure a correct fit on your ribbon.
- Limited production: order promptly if required, as availability may be restricted.

FAQ

Q: What are the fascetta dimensions?

A: The original information lists two measurement sets: 5 mm x 37 mm and 11 mm x 3.4 mm. Please confirm which variant is offered before purchase to ensure correct fit.

Q: What material is the fascetta made of?

A: It is made of silver-plated metal, chosen for a polished appearance and long-term durability.

Q: How do I attach the fascetta to a medal?

A: The fascetta is designed to be applied onto the medal ribbon so it integrates with the ribbon's design. Fit gently and check alignment; consult a medal fitter if unsure.

Q: What does the Fascetta COVID-19 SMOM represent?

A: The fascetta symbolizes courage, resilience and support shown during the COVID-19 pandemic by those associated with the Sovrano Militare Ordine di Malta (SMOM).

Q: Is the fascetta available in large quantities?

A: No. The item is produced in limited quantities and may sell out; availability is therefore restricted.

Q: Can I use this fascetta on non-SMOM medals or tactical displays?

A: In many cases it can be fitted to similar ribbon widths, but compatibility depends on ribbon size and design. Verify measurements before applying to other medals, tactical gear, or duty displays.

Tip: Choose the correct size variant and check ribbon compatibility before ordering; consider browsing related medal accessories and replacement ribbons to complete your display.
